Sir,

With reference to the Official Memorandum[x] from the Officiating Civil Paymaster, which formed an enclosure to your letter No. 78, dated 24th Ultimo, I have the honor to inform you that on a report made by the then Civil Engineer Major Henderson, stating that Siddapah was unable from sickness to attend to his duties, his son Goviapah was appointed to act for him: but as the latter died suddenly about 3 years after, it appears from the records of this Office that the former was allowed to return to his duty. Siddapah was not employed in the Taluk but in the Huzur.

I have &c.,

Siddapah from 16th March 1841 to 30th November 1852 and from 1st April to 30th November 1856 cannot be verified from the records of the Audit Office, as the returns received from the Collector of Bellary for that period do not shew the names of individuals of the grade of Talook maistry. From 1st December 1852 to 31st March 1856 the Deputy Collector Bellary (Mr. Blake) states that Siddapah was unable from "sickness to attend to his duties." Assuming Siddapah's Service as Talook maistry to be correct*, his service in all amounts to years 17-9-16 & should Govt. be pleased to allow him to count 2 years of the period during which he was absent from sickness as service under the provisions of Clause 1 of Section V of the absentee Rules he can then reckon a period of Ys.-M.-D. 19-9-16 – For his Service of Y.-M.-D. 5-5-.. he is eligible to a Gratuity equal to 3 months Salary, or Rs. 75; & for his Service of Years 17-9-16 M.
