CIVIL PAYMASTER'S OFFICE

From
W. Nisbet Esquire
Acting Sub Collector

To
V. H. Levinge Esquire
Collector of Madura

Sir,

In forwarding an application for Superannuation Pension to Gopalakristna Row a late Clerk of this Office, I have the honor to inform you that the form referred to in the Board's Standing Circular Order 7th May 1862 No. 2885 not having been received in my Office, the application has been drawn out in the old form.

2 It will be necessary to observe that whilst the applicant was holding the Office of 4th clerk in this Office, he was appointed on the 24th September 1860 to officiate for the Manager of Ayakudi Estate, which was under the management of the Court of Wards. In conjunction with this, he assumed management

of the Estate of the late Hullama Naik of Koyikarapatti; under the order of the Civil Court of Madura, which had charge of it in consequence of the minority of the heir. For this a separate allowance of 25 Rupees per Month was paid by the Court.

3. After the Ayakudi Estate was restored to its proprietor & when Gopalakristna Row was on the eve of returning to his permanent appointment, he was ordered by Mr Ames at the request of the Civil Judge contained in his letter 2d February 1861 (copy enclosed) to continue in the management of the Koyikarapatti Estate until the wishes of the Court of Wards should be known about it. In this instance the Civil Judge raised the pay for management from 25 to 35 Rupees.

4 When it was finally settled that the Estate should be taken under Court of Wards, Gopalakristna Row having been found too old for public employment he was advised to take pension and another person was placed in his stead by the Acting Sub Collector Mr Goldingham. Gopalakristna Row thus ceased to be in the Service from the 18th October 1861 from which date he is entitled to a Pension.

5. The delay in submitting the application, was owing to the applicant not having rendered satisfactory account of the transaction of his management of the Estate sooner, and to the time occupied in examining the old records in this office to verify the list of his Service.

6. I would further notice here that the average salary drawn by the Applicant during the past 5 years entered in Col. 13 of the Tabular application, has been calculated, taking

the pay drawn from the Civil Court Vizt 25 Rupees per month, from 5th October 1860 to 28th January 1861 & 35 Rupees from 29th January to 17th October 1861 into account, under the impression that the service under the Court, while in charge of the Estate of an incapacitated proprietor, will be allowed to count for Pension, in the same manner as service under the Court of Wards. (Vide Board's Circular of the 5th September 1856). If however, the applicant's service under the orders of the Civil Court should not be allowed to Count for pension, his average pay per month would amount to Rupees 28. 9-10. This would reduce the pension to be granted, to 14 Rupees

7. The Applicant was once degraded from a pay of 17½ Rupees to 14 Rupees under the order of the Sub Collector dated 7th March 1856 which was reversed on appeal by the Principal Collector by his Tamil Yadast of the 15th Idem and English letter 30th April following. He was accordingly restored to his former post without loss of pay

8. I have directed Gopala-Kristna Row to appear before you to be sent to the Zillah Surgeon for obtaining the necessary certificate
