To,

Civil Paymaster

Sir,

1 With reference to your official memo of the 15th Ultimo No. 444, I have the honor to inform you that the appointment held by M. Paridési from 20th December 1834 to 31st January 1847, being 12^{y}-1^{m}-13^{d}, as exhibited in the annexed memo, was a permanent one, and verified from the records of the late Guntur Collector's Office.

2. With the exception of item No. 3 in the above memo, the remaining period of employment of M. Paridési was on account of Zamindary Estates in the late Guntur District then held under attachment on account of arrears of

Revenue - they finally reverted to Government in 1846 and the new Moyengábita for the whole Guntur District was sanctioned in 1847. It was not usual to enter the names and services of the Servants entertained on account of attached Estates in the annual detailed Lists of Establishments submitted to the audit Office, because their salaries were charged to the accounts of those Estates. In those lists were entered only the Service and names of the Servants paid by Government. I see no objection to the Service of Paridése being admitted as eligible towards pension agreeably to Para 226 page 75 of the uncovenanted Servants' Vademecum.

3. The 3d Item "Police Péshcar of Bapatla Tahna", was entered in the detailed list of Government Servants for 1841/42 forwarded to the Civil Auditors Office on 1st June 1842.

I have the honor to be,

Sir,

Your Most Obedient Servant
