The humble Petition of C. Streenivasa
Row late Tahsildar of Ootramalore
Talook in Madras District now
Pensioned during the amalgamation

Humbly Sheweth

Para 1 - With infinite submission and profound respect your poor Petitioner begs leave to state, that your Petitioner while conducting the duties of Tahsildar and Head of Police of the late Ootramalore Talook in the Madras District he was suspended by proceedings for 6 months from the 17 April 1860 on trivial charges that he attached more lands of certain Ryots for arrears of Revenue than what was wanted, and sold for arrears of Revenue, and just on the day the term of 6 months suspension expired, his Office of the Tahsildar of the Ootramalore was incorporated with that of Madurantakam on the 18th October 1860 - your Petitioner wrote to the Sub Collector Mr Ellis and the Collector Mr Cunliffe, and solicited to reconstitute him in his Office of the Tahsildar in any other Talook in the District but finding his solicitations of no avail he has petitioned to the Board of Revenue and eventually to Government, and finding no redress, he was under the painful necessity of making his memorial to the Right Honorable the Secretary of State for India in Council London on the 20 Nov 1860, that Tribunal after due consideration was kindly pleased to send their order on the 7th June 1861 No. 4 a copy of which is now lying at your Government directing the Government either to reemploy your Petitioner if convenient or Pension at once considering the 2 years wanting to complete the 30 years service; copy of which order on being communicated to your Petitioner by the Collector of Madras, your

Petitioner

[illegible] applied for the situation of Tahsildar, Petitioner's [illegible] but on being refused which [illegible] then [illegible] Pension commencing from the date [illegible] he applied [illegible] of his Talug i.e. from the 18th of the amalgamation [illegible] October 18[illegible] -

2. From the Minutes of Consultation of the 9th June 1862 No. 185 a copy of which was furnished to him by the authorities your Petitioner learns that tho' [illegible] misfortune your Lordship was pleased to sanction his arrears of Pension only from the 6th July 1861 instead of from the 18th October 1860 the date on which your Petitioner's Office of the Tahsildar of Ootramalore was incorporated with that of Madrantacum in the amalgamation and thus ousted him from this Office utterly unprovided for, whilst all most all the servants in the District who have thrown out and lost their Offices similarly in the amalgamation and who consequently applied for Pension have all got their Pension with full arrears sanctioned from the date of the amalgamation of their Talugs - Oh Lord is this the effect of his Memorial to the Home Authorities! Unfortunately indeed your poor Petitioner have thus deprived his arrears of Pension of the interval period of 8 Months and 20 days or Rs 368 -

3. In the Minutes of Consultation above quoted it is stated that the Pension to be commenced from the date of the receipt of the order of the Secretary of State i.e. 6 July 1861 - This order your Petitioner begs to state is only applicable for cases of ordinary description and not to the case one under review especially when your Petitioner falling under the head of amalgamation and all who lost their Offices in that amalgamation and were pensioned, [illegible] them arrears of Pension from the date of the amalgamation of their Offices from your Lordship's Government and your Petitioner is the only injured party in the case under reference - In short it is [illegible] known further that your Petitioner's case is a very hard one and dealt with all along by the Home authorities and your Government with their favorable and clement consideration. Latterly as your Petitioner

Petitioner received no relief in this Government, he was under the painful necessity of making his Memorial to His Excellency the Right Honorable the Secretary of State for reemployment or Pension and that Tribunal tho' sanctioned to allow to your Petitioner either the one or the other as the case may be, the first proposition for employment not being approved of by the Collector, by which your Petitioner subjected to a great loss, i.e., if your Petitioner is allowed to serve the deficient period say 3 years, the time then wanted to complete the 30 years service, at least in the last class Tahsildarship the Pay of which being 150 Rs owing to the enhanced scale, he will not only be then benefitted with the Pay and emoluments for the time being, but on his retirement tire honorarily with great credit on higher Pension say a moiety 75 Rupees -

Under all these foregoing circumstances,

yer.-

Your Petitioner prays your Lordship's Bounty will take your poor Petitioner's remediless case, into your kind, pitiful, clement, and favorable consideration, and be pleased to sanction, his arrears of Pension for the interval period - due from the 18th October 1860 [illegible] of amalgamation of his Talug, to 5th July [illegible] date of the receipt of the order of His [illegible] the Right Honorable the Secretary of State later despatch of 6th July 1861, amounting to Rs 368 - so that, your Petitioner may regain his original Position as he suffered to Pawn and mortgage his movable and immovable property for the maintenance of his large circle of family from the date of the amalgamation of his Office to the date of the sanction of his Pension, and thereby greatly reduced in the estimation of Public at large -

Memo:

This Petr. was suspended & was not re-employed on the amalgamation of Talugs according to Mr Pelly's scheme.

He appealed to the home authorities and Secy of State while declining to interfere with his suspension or to direct his reemployment and but allowed him two years service so as to enable to count 30 years service. - He wishes therefore to draw the pension from the date of the abolition of his office, as the Govt have not thought fit to allow him to serve the two years required to complete the 30 years service.

Order thereon 30th October 1862 No. 356

Under the circumstances stated the Govt resolve that the date from which the Petr. is entitled to draw pension, shall be from the time when the amalgamation ~~the date on which the Tahsildar~~ of the Talugs in the Madras Dist. took effect ~~Tahsildarship was abolished~~ 1st July ~~or Oct 18th~~ 1860 instead of 6th July 1861, date of the Secy of State's despatch.
