MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

From the Acting Agent for Remounts, Remount Depôt, Oossoor, 30th November 1861, *No.* 478; *to the Secretary to Government, Military Department, Fort Saint George.*

With reference to the orders of Government, No. 1020, of the 16th March 1861, I respectfully beg to again bring to notice the case of Nunjapah Conicopoly. The gratuity awarded by Government has not been drawn as yet, the Conicopoly, owing to his illness, having been absent up to the present time—on his stating to me his total inability to perform any further effective duty, and at his urgent request he was examined agreeably to paragraph 5, page 306, Pay and Audit Regulations, by a Medical Committee at Bangalore, the Proceedings* of which are herewith enclosed, and as it appears that the Committee has declared the Conicopoly "is worn out, suffers from defective vision, and is unfit for any further service," I trust the Government will take his case into favorable consideration.

* *Dated 27th November* 1861.

Proceedings of a Board of Medical Officers, assembled by order of the Officer Commanding Mysore Division, to report upon the fitness to perform further effective service of Conicopoly Nunjapah, late of the Breeding Establishment at Oossoor, Bangalore, 27th November 1861.

PRESIDENT.

C. C. LINTON,
Dy. Inspr. Genl. of Hospitals.

MEMBERS.

M. ROGERS, Surgeon Major,
Royal Artillery.

J. HOUSTON, M. D.,
Garrison Assistant Surgeon.

The Board having assembled pursuant to order, and having carefully examined Conicopoly Nunjapah, are of opinion that he is worn out, suffers from defective vision, and is unfit for any further service.

From the Acting Agent for Remounts, Remount Depôt, Oossoor, 9th December 1861, *No.* 505; *to the Secretary to Government, Military Department, Fort Saint George.*

In reply to your memorandum of the 7th instant, I have the honor to state for the information of Government, that I have no means of reporting on the state of health of Conicopoly Nunjapah previous to the breaking up of the Breeding Establishment on the 31st January 1861, he being on separate Command.

2. The Conicopoly came here in February 1861, on his services being dispensed with, and at that time appeared to me to be old and worn out, which was my reason for bringing his case to the notice of Government for Pension. Shortly after, the Conicopoly left this for his own country and did not return till last month—when, as he stated to me his reason for his absence, was owing to ill health, as he appeared to me to be unfit for work. I, as stated in my letter of the 30th ultimo, applied to the Deputy Inspector General of Hospitals at Bangalore, for a Medical Certificate, when he was pronounced by a Medical Committee as unfit for any further service, I of course can give no other opinion than that above recorded, and in which the Medical Committee coincide.

3. Had I been aware that a Medical Certificate was necessary, I should have applied for one when sending in my first recommendation in February last.

With Report of the Controller of Military Finance, 17th December 1861, *A.*

ORDER, No. 152, 14*th January* 1862.

On a re-consideration of the circumstances attending the case of the Conicopoly attached to the late Breeding Establishment of the Oossoor Depôt, and it appearing probable that had he been brought before a Medical Committee at the time the Establishment was broken up, the prescribed Certificate now submitted, would have been obtained,—the Governor in Council resolves to cancel the gratuity sanctioned* to Conicopoly Nunjapah, and to admit him to the benefit of a Superannuation Pension, under Clause I, of paragraph 127, Section XIII, of the revised Pay Code.
