*EXTRACT from the Proceedings of the Government of India, in the Financial
Department, d. 7th October 1862.*

From the Chief Secretary to Government, Fort Saint George, to the Secretary to the Government of India, Financial Department, No. 286, d., Fort Saint George, 29th August 1862.

I AM directed to report for the sanction of the Government of India, the case of one Anisala Sooba Row, late Head Mudutgar of the Ramachendrapuram Talug of the Godavery District, who has applied for a superannuation pension.

2. He has served a total period of (32) years, and this service has been continuous with the exception of 4 months and 14 days during which he was unemployed, having been removed from the Office of Assistant Jewabnevis in the Huzur Cutcherry. His offence was delaying to transmit to the Sheristadar an application for remission of Land Revenue which passed through his hands. This dismissal occurred in August 1835. He was re-employed in January 1836, since which time until April 1862, his service has been continuous.

3. Having in view that the offence of Anisala Sooba Row which led to his removal from the service was not of a grave nature, and that he bears a good character, His Excellency the Governor in Council does not think that the dismissal in question should entail the forfeiture of his service of 5 years, 9 months, 30 days, prior thereto, and he therefore recommends for the sanction of the Government of India the grant to Anisala Sooba Row of a pension of 10 Rupees per mensem, equal to a moiety of his average salary during the last five years.

4. The usual statement and medical certificate that the applicant is unfit for further service accompanies this letter.

No. 47.

His present state of health is owing to general debility and asthma, and as far as I am able to judge, not the result of intemperance or other irregular habits, and I am of opinion, that no permanent benefit is likely to result from medical treatment or relaxation from duties, so as to render him again an efficient Government servant, and that he is therefore a fit object for superannuation pension.
