Order issued to Parige Ramanna Pantulu Amin of Rachur Tanah.

You were suspended by Mr Grant on the 30th December 1835 for having appropriated to the Pagoda of Muktesvarasvámi 8 Kuntas of land forming part of the decayed garden at Kota hamlet of Ramarazugudem Village that should have been subjected to the Public assessment. On my enquiring about it, it was proved that the land which should have reverted to the Circar was given away as a new Inam by you. The same was communicated to the Board of Revenue, who in their Proceedings 29th Ultimo sanctioned your removal from the situation of Amin, & granted authority for your being re-employed in some subordinate situation when a suitable opportunity may occur. You are directed as follows.

As it is improper for you to do as above stated, and as you are considered unequal to the performance of the business of that situation you are removed from the situation of Amin from the date of Suspension.

Kistna District Collector
Kacheri at Masulipatam
26th August 1862.

From,
G. Thornhill Esqre.
Collector of Kistna District

To,
The Honorable T. Pycroft
Chief Secretary to Government
Fort St. George

Sir,

1. In submitting the accompanying application for Pension by Varigi Ramanna Pantulu, I have the honor to state that application was made by this old servant for Pension in 1860, on the introduction of the new scale of Establishments, at which time he held the high office of manager or Sheristadar of the Kistna District.

2. Owing to a break in his service in the year 1836, (when it appeared from the return sent in that Varigi Ramanna

Pantulu

Puntulu was dismissed from office by order of the Board of Revenue), and to the application not being supported by a medical Certificate, the Government declined to recommend him for half Pension, but in an Endorsement passed on a Petition presented by Varige Ramanna Puntulu direct to Government, the Government were pleased to state that, although the dismissal prevented the recommendation for half Pension the Government were prepared to allow him the benefit of his whole service of 37 years, if he was desirous of retiring at once from the public service upon the Pension of one third of his salary.

Dated 12th Septr. 1861. No. 312.

3. As he was not prepared to accept the reduced Pension he applied for re-employment, and I appointed him Salt Superintendent at Guntamilly on 150 Rupees a month.

As

4. As the new Salt Establishment is about to be introduced, when the salary of Superintendent will be reduced to 100 Rupees, Parigi Ramanna Puntulu has again applied for Pension and has this time produced a Medical Certificate.

5. He urges, what escaped my notice before when furnishing the information regarding his removal from office, that he was never in fact actually dismissed the service although the word "dismissed" was actually made use of in the order addressed to him -

6. The Board in sanctioning his removal from the appointment he then held, sanctioned, in the same Proceedings (Copy enclosed) his re-employment in a subordinate post, the dates of the different stages of the Proceedings are shown in the margin.ˣ

ˣ Date of suspension by Collector 30th December 1835. Removal sanctioned by Board 29th February 1836. Communicated to Parigi Ramanna Puntulu on 7th March 1836. Order reappointing him to lower post 14th March 1836. . . . . . .

From

7. From these the Government will see that although 2d. 14. days elapsed from the date of his suspension by the Collector until his re-employment, only 7 days elapsed between the date of the order communicating the Board's decision to him, 7th March, and the date of the order re-appointing him, 14th March.

8. Under these circumstances, I trust the Government will take a favorable view of the case; it does not appear that the applicant was dismissed from the service of Government, but that he was removed from a particular appointment & his re-employment sanctioned at the same time.

9. His total service is 37 years and since the unfortunate occurrance above recorded, he has served 26 years without censure and has risen to the highest grades of the native services.

Barige

21

10. Barige Ramanna Pantulu also points out that from 25th May 1860 the date of the introduction of the new scale of Establishment, until his re-employment on 13th March 1861, a period of 9 months and 20 days he was without any pay or Pension, and begs that as he was then unemployed owing to no fault of his own that on Pension being granted to him that period may also be permitted to count. I submit this point also for the favorable orders of Government.

I have the honor to be,
Sir,
Your most obedt. Servt.
Collector.

Sir,

In reply to your official memorandum of the 22d ultimo No 460, requesting further information regarding the services of P. Ramana Pantulu from 2d April 1844 to 12d Novr 1848, I have the honor to inform you that the situation of Head Asst Sheristadar, to which Ramanah Pantulu, was appointed on 2d April 1844 was newly created in 1836 and the

K

salary of the Office Rs 70 was charged to Malrauze Estates under attachment for arrears of revenue, as per accompanying Copy of the sanction of Government dated 28th September 1836. The said Ramanah Pantulu receiving the same salary acted for 2 months for the Amin of Yedlapalli Tanna of Malrauze Estates from 16th May to 15th July 1846. Hence it will be observed that his salary from 2d April 1844 to 12th November 1846 was debited to attached Estates. The monthly Telugu Baravards of the servants employed for the preparation of the accounts of the Estates, for the period in question, bear testimoney of Ramanah Pantulu's services.

In

2 In paragraph 2 of your Official Memo, now under acknowledgement, explanation is required as to the cause of the break from 24th March to 23d May 1843. I beg to observe that from the detailed list of the service forwarded with the Register of application, it does not appear that there was any break at that period; but that the applicant held the appointment of Head Madatgar of Vassereddi Estate from 24th March 1842 to 23d May 1843.
