2. The Records of this Court and those of
the Civil Court, to which a reference was made,

as to when this individual was originally

February 1813 to 30th April 1823, when the Establishment was discontinued under the orders of Government dated 7th March 1823, and also as Acting Jailor from 7th October to 14th November 1839 -

3 As regards his re-employment & after April 1823, & 14th November 1839 the records do not afford any information -

4 He has however served in the late Sub Court continuously from its institution on the 16th September 1843 till its abolition on the 30th June last & in this Court up to 16th ultimo, a period of 19 years, in the Capacity of a Duffadar, as has been certified by the Civil record Keeper of the Court. He is an old servant, his age being at present upwards of 75 years, and had it not been for his disqualification for further effective service, some arrangements would have been made to provide for him during the recent change, in consideration of his long & meritorious services. Under existing circumstances however, I see no other alternative than to recommend a gratuity of Rupees 60 equal to the amount of

5 With reference to your notification dated 16th July 1862, N: 336, I have the honor to state that the past conduct & character of the individual have from all accounts been good & unexceptionable. Referring to the orders noted in the margin, I have the honor to state that no provision has been made in the Budget Estimate of this Court for the expenditure which the gratuity recommended above will involve. But it may be met by the surplus amount of the Estimate of the current year, consequent upon the reduction of Pensions -
