From
Colonel J. Hill
Deputy Commissy General
To
T. Pycroft Esqre
Chief Secretary to Government
Fort St George

Sir,

I In the absence of and under instructions from the Commissary General, I have the honor to forward for the consideration of the Honorable the Governor in Council, a Register of application for Superannuation in favor of Chelmiah late Gram Conicopoly at Kamptee.

Chelmiah was entertained as Conicopoly on the 25th August 1827 and his services were dispensed with from the 30th June 1850 consequent on the System of Contract having been introduced.

Upon several Petitions received from this individual my predecessor appears to have held out hopes of reemploying him on the occurrence of a suitable vacancy taking place, but no opportunity was afforded for so doing as

he

he has been unemployed for upwards of Eleven years, it cannot therefore be said, that his present state of health was the result of his labors in the Public Service, it will however rest with His Excellency in Council, whether a Pension or a gratuity should be granted to him.–

I have the honor to be
Sir,
Your most Obedient Servant

Order thereon
18th February 1862 No. 47

With the foregoing letter the Commissary General submits an application for superannuation pension from Chelumiah, formerly employed as Gram Conicopoly in the Commissariat Department at Kamptee. –

WM

2. It appears that Chelumiah's service extends over a period of $\overset{y}{22}..\overset{m}{10}..\overset{d}{7}$, viz. from the 25th August 1827 to the 30th June 1850, when his services were

Rp

displaced with consequent on the introduction of the Contract system. - He has ever since remained without employ, although it is stated that hopes of a situation were on different occasions held out to him. He made no application either for Pension or gratuity until now when he submits his application accompanied by a Medical Certificate of unfitness for further active service. -

3 The Government resolve to inform the Commissary General that Chelmick's present application is altogether inadmissible. He has now been out of employ for upwards of Eleven and a half years, and the ailments referred to in his Medical Certificate have evidently not been contracted in the service of Government. He has abstained from bringing his claims to Pension to notice for such a length of time that they cannot now be taken into consideration —

4 - The Commissary C. S. O. General should JP not have occupied the time of Govt by the submission of such a case - especially in the face of the order of Govt of the 16th Decr 1861 published [illegible] the Gazette of the 17th idem.
