cal error, 1861 was entered
in the Register of Service
which accompanied the appli-
cation for Pension from
the Collector's office.

3 It is observed that this mis-
take has not been noticed
in the Civil Paymaster's office,
and the papers will therefore
be returned to that office for
revision, and such altera-
tions as may be necessary.

4 The signatures of the District
Treasurer & Head Quartermaster in the
Collector's office are attached
to the Service Register in token
of its accuracy, and due no-
tice should be taken of
their carelessness which
has necessitated a re-con-
sideration of a regulation

and disposed of by forerunner.

5 Mr Child recommended that the
Pension should be made pay-
able in the District of North
Carolina to which Deakins (Cherry)
has retired, but he does not
state whether ^{Deakins, Cherry} he has sent in any
application for the transfer
of his Pension, or whether his
residence in North Carolina is
not merely temporary. He will
now supply this information,
and the forerunner will then
pass orders respecting the
the proposed transfer.

6 Explanation should also
be given of the cause of Deakins
Cherry's application for Pension
not having been forwarded to
forerunner for 14 months af-
ter that individual had
finally quitted the Public
Service.
