From

William Fisher Esquire.

Collector of North Canara

To

J. Percroft Esquire.

Chief Secretary to Government.

Fort St. George.

Sir,

In acknowledging receipt of Proceedings of the Madras Government, dated 5th October 1861, adjudging Deputy Collector Surappaiya a pension of one third of his salary, I have the honor to submit a statement on behalf of this old and valuable servant, for the favorable consideration of Government, as I believe that he has not been awarded the rate of pension to which his services entitle him, if his case is to be dealt with as were those of other servants dismissed, and subsequently reemployed, under precisely similar circumstances.

2. I have been unable to make this appeal on behalf of Surappaiya at an earlier date, as all the information on which I depended in asking for a revision of the decision of Government, was in the Office of the Collector of South Canara, from whence I have now obtained it.

3. In the Proceedings of Government noted above, it appears from para 4 that the Civil Paymaster reports that Surappaiya's service qualifying for

pension extends over a period of 21 years, 6 months and 14 days, his former service of 11 years, 4 months and 12 days being excluded, as it was followed by a break of upwards of six years.

4. The exclusion of former service (11 years 6 months and 14 days) seems to be attributable to the impression, that though Sirappaiya was relieved of the consequences of the charge, which led to his suspension for upwards of six years, so far as to allow of his being re-employed, he was not acquitted of complicity in the offence of which he had originally been found guilty.

5. Sirappaiya was one of the nine persons (among whom was the then Head Sheristidar of the District, Krista Rān) dismissed on the Report of Mr. Commissioner Stalkis in 1833, and subsequently acquitted and re-instated in the Public Service. The acquittal seems to have been full and complete; and of the nine persons, three have been subsequently pensioned, their full time of actual service having been allowed to count for pension.

6. In the Head Sheristidar Krista Rān's case, a Shrotrium for three lives was granted; and Ranga Rān late Sheristidar of Mangalore, one of the three persons above referred to, has lately received the highest rate of Pension to which his service entitled him, no deduction of service prior to his suspension having been made.

7. In this Proceeding on Ranga Rān's case, dated 18th October 1866, Government

observe as follows:-

3
Para 5. "In dealing with the case of the Head Sheristidar Krista Rān, who was dismissed at the same time and for the same reason as Ranga Rān, the present applicant, the Honorable Court not only authorized his restoration to his Post as Head Sheristidar, but allowed him the difference of the salary drawn by the incumbent and that he would himself have drawn from the date of dismissal, as well as the privilege of taking into account the period during which he was out of employ, in settling the amount of his future salary."

Para 6. "Looking to the views expressed by the Honorable Court as detailed above, the Court consider they are acting in the spirit of the instructions then issued, in permitting Ranga Rān to reckon the period during which he was wrongfully out of employ, as time counting for pension. Adding then the 6 years from 1833 to 1839, the aggregate of his service reaches 32 years, thus enabling him to claim the higher rate of retiring allowance."

8. I trust, under these circumstances, that I am justified in again bringing before Government the case of an old servant suffering from both bodily infirmity and mental derangement, who appears to be entitled to a pension of one half of his salary.

I have the honor to be,

Sir,
Your most Obedt. Servant.
