Calicut 28th March 1863.

From G. B. Ballard Esqre.
Collector of Malabar.

To The Honable A. J. Arbuthnot
Chief Secretary to Government
Fort St. George

Sir,

By the order of Government dated 9th Inst. No 58 I observe that the pension of Perimbragar Korum Menon is to commence from the 11th June 1862, the date of his medical certificate.

2. This individual was thrown out of employ on the 11th September 1861 by the reduction of establishment, and was not immediately pensioned in the hope that provision could be made for him. But as no opportunity presented itself for reemploying him, and his sight began to fail him it was thought desirable that he should be pensioned.

3. As he was therefore out of employ from the 17th September 1861 up to 11th June 1862, the date of his medical certificate, from no fault of his, I beg to recommend that his pension may be allowed to take effect from the first mentioned date.

Under the strict rules the
pension granted to P. Koman
Menon should have
commenced only from
the date of sanction, or
the 9th March 1863, but the
Govt, considering that he had
lost his situation from
no fault of his own, gave
effect to the grant from the
11th June/62, the date of the
medical certificate. The
delay up to that time was
Koman Menon's own act,
owing to his having enter-
tained hopes of re-employment.
The medical certificate is
the first indication that
he had made up his mind
to ask for a pension.
Under these circumstances
the Govt see no reason
