the enclosed Mily: to the Mil.
pointing out that the case
would have to be submitted to
the Govt. of India, unless a med.
cert. be furnished, & that
it would be better therefore to
send in a certificate, as Mr.
J. Monte's retirement was really
caused by ill health. From a
conversation I have had with
Col. Hamilton, it seems that a
medical certificate will be
furnished, if the case cannot

be disposed of by this Gov^t. subject

to the confirmation of the Gov^t of

India, which is the interpretation

he places upon the Resolution of

3 May 60. It is only necessary

therefore in the first instance to

decide whether this interpretation

is correct. The words are

that every case not strictly supported

by the rules, as well as

all cases of good service pensions

be invariably referred to this Gov^t

(the Gov^t of India) for sanction.
