Extract from the Proceedings of the Government of Madras in the
Financial Department dated 20th February 1863.

Read endorsement from the Home Department N^o 842
dated 4th Instant, and enclosures, regarding
the proposed grant of a superannuation pension
to G. Veerasawmy Chetty, a Clerk in the Office
of the Post Master General Madras.

Resolution. G. Veerasawmy Chetty, a
Clerk in the Office of the Post Master General
Madras, having been pronounced by competent
Medical authority to be unfit for further
service, and reported by the proper Officers to
have served in grades qualifying for pension, for
upwards of 30 years, with a break of only 4 days
caused by abolition of Office, the Hon^{ble} the
President in Council is pleased, with reference
to the favorable testimony borne to his character
by the Head of his Office to sanction the grant
to him of a superannuation pension Papers 56-8-11
a month, equal to a moiety of his average
salary during the last five years of his service.

The Pension will take effect from the
date the applicant ceased to be borne on the
establishment, and be paid from the Madras Bank.

Referring, however, to the peculiar circum-
stances of his case as reported by the Post Master
General Madras, and to the recommendation

of that Officer that the abolition of G. Veerasawmy Chetty's appointment in June 1861 "may not be made to operate to the prejudice of his pension, and that in striking the average rate of pension, G. Veerasawmy Chetty may be considered as having been on the receipt of the higher rate of salary of Rupees 150, from the date of its first receipt by him, in March 1858 up to the close of his service". His Honor in Council resolves that the papers of the case be forwarded to the Right Honble the Secretary of State, for favorable consideration and orders.

His Honor in Council desires that it may be pointed out to the Director General of the Postal Department, that although the Madras Post Master General's letter is dated 28th October 1862, it was forwarded to Government by the Director General after a delay of nearly three months, viz. on the 21st January 1863.
