Drenamraja Ramachandra Raja being upwards of 60 years old & having served Government for more than 30 years, as is borne out by the accompanying Service Register, which is also verified by the Records of the office, his application is recommended for favorable consideration for the following reasons. 1. He is physically unfit for further service as is borne out by the accompanying of the Medical Surgeon, Nellore. 2. Having been suspended for one year from the 18 th September 1861, the applicant ought have returned to duty on the 18 th September 1862. But with reference to his advanced age and physical inaptitude it was not considered advisable to per- mit him to do so and he is therefore recommended for the Pension to which his previous ser- vices entitle him from the date on which the suspension awarded him in 1861, i.e. the 18 th September 1862, expired. 3. In his previous service entitling to Pension, and for which Pension is claimed there is one break of a month & 19 days in 1836, caused by his voluntary resignation of his appointment, and on this ground instead of the higher rate of Pension, viz., Rs 10, equal to one half his average salary in the last five years of service viz. Rs 20, 1/3, viz Rs 6-10-8 is recommended to be paid to him from the 18 th September 1862, the date on which he ought to have returned to duty after the expiration of the period of one year's suspension awarded him in 1861. For the period for which Pension is claimed prior to suspension he is entitled to receive a small &c. discharge of Rs 1000. Nellore Collector's Office 8 th December 1862

ORDER OF GOVERNMENT.

Pension 1863 Department

N. 143

Civil Pension Department.

PROCEEDINGS of the MADRAS GOVERNMENT.

From the Collector of Madras to the Civil
 report of Paymaster } Read the following:-
 Read letter from the } (Here enter 8 December 1862 No 45)
 Civil Paymaster } { 8 April 1863, No 143

Order thereon 20 April 1863 No 117

The Civil Paymaster
 remarks, that the appli-
 cation of S. Ramachandra
 Rao for a pension should
 be submitted to the Govt.
 of India, under their
 orders dated 10 April 62,
 No. 2439 & 17 Dec 61, No.
 14,819.

2. The former of these orders
 applies only to cases in
 which it is proposed
 to allow an officer, who
 has been dismissed &
 subsequently re-employed,
 to count his service
 preceding his dismissal
 towards pension. No such

 employment of men who

indulgence is contemplated in the present instance.

+ when the Collector rejects this period & the applicant can reckon 30 yrs without it.

3 In the second order

Quoted by the Paymaster

it is laid down that

the Medical Certificate

should be submitted

at the time of retirement

& that, where this is not

the case, a reference

should be made to

the Gov^t of India for

orders. The present

applicant was suspended

in Sept^r/61 for a year,

& should have returned

to his duty in Sept^r/62.

But the Collector thought

him disqualified by

the infirmities of age,

and, instead of restoring

him to his post, sent

him to the doctor to

be examined. A final

"only negative of good - nothing further is known against him. His offence too was a bad one - complicity in an attempt to smuggle salt into the district. He was once dismissed (for feasting his previous crime) & once permitted to resign. and he has had no opportunity of wiping off the stain left on his character by his suspension, by subsequent good conduct. Perhaps a reduced pension might be enough for him. 1/3 - W/H

certificate of physical incapacity was given him on the 7th Nov^r 1862. It appears to the G. in C. that the order of the 17th Dec^r/61 was not intended to apply to such case. The applicant, tho' under suspension, was still in the Gov^t service. He would have been re-instated in his appointment unless he had been physically unfit to hold it. Under these circumstances the case may be disposed of without reference to the Gov^t of India.

~~The offence for which~~
D. Ramachandra Rao was suspended, must be regarded as expiated by this long suspension, which he & his character is otherwise good. His service extends over a period of more than 30 years, rendering him eligible to a pension equal to a moiety of his salary for the last five years. Such a pension, amounting to Rs 10 per mensem, H.E. is now pleased to sanction,

with the remark however that it will be payable only from the date of the medical certificate. Before that time the applicant was not eligible for a pension.

4. Ramachandra Rao is eligible, by the length of his service, to higher rate of pension, or a moiety of his average salary, but his character is very indifferent. The offence, for which he was suspended in Sept. 50, from him to have been untrustworthy in one instance, & he has had no opportunity of wiping off, by subsequent good conduct, the stain which it has left on his reputation. The Collector states that "nothing further is known against him", but at best this is but negative commendation. It has been seen above that he has once been dismissed, & his service register shows that he was on another occasion permitted to resign.

14
5. Under all these circumstances &c. &c. in Council resolves to grant Ramachandra Rao only the lower rate of pension, or Rs 6-8-0 being one third of his average salary during the last five years of his service. His allowance will be payable from the date of the Medical Certificate, previous to which he was not eligible to any pension.
