No 192.

Memorandum.

With reference to para 3 of the Orders of Government dated 25th Instant No 121, Pension Department, the Off^r Civil Paymaster begs to explain that Annappa's Services was first reported upon by his office on the 7th August 1861. From the 2nd para of the report of that date, No 313, it will be observed that his service of Years 19-2-6 was excluded because he was not for that period paid or directly by Government.

When this report was drawn up as servants on the establishment of District Munsiffs, who were allowed a lump sum for their establishments with the detailed distribution of which the Government did not interfere, were considered ineligible for pension or gratuity - but as the Proceedings of the Government of India, No 374 G, dated 3rd February 1863, Financial Department, has allowed such service to count, Annappa can reckon his service of Years 19-2-6. This part of his service cannot, however, be verified from the records of the Civil Paymaster's Office, as it was in grades which do not qualify for pension. assuming it to be correct his service in all amounts to years 26--6. He is eligible to a gratuity equal to six months' salary

or

or Rupees 84-

The Off^r Civil Pay Master begs to
that his report on Annappa's case may be cancelled. + 20th April 1863
