Sir,

Since my letter of the 5th Instant, I have sent for the rough draft of Nomination Roll of the proposed Pensioner "Ramanooja Iyengar". I fancy the words in the footnote "in consequence of the abolition of situation" misled you to the belief that the applicants office had been abolished. Such was not the meaning. The object was to show that he had received no gratuity at any time on account of any such contingency. nothing more. My enquiries prove that Ramanooja Iyengar's service has been continuous & unbroken.

As regards your salary separate orders will be given to you hereafter

Sir,

Adverting to your official Memorandum dated 18 Ultimo, I have the honor to report that Ramanooja Iyengar has served from 16th October 1834 to 18 November 1844 as Police Mushruff and not as Jevaub-nevis, the Pay for both the offices was the same 10½ Rupees a month.

2 The records of my Office show that in consequence of the ill health of Madava Row, Ramanooja Iyengar was appointed by an order of the late Sub Collector Mr Wood bearing date the 27th May 1852 No 190 to act as Tahsildar of of Verdachellum and he held the Post up to 28th February 1853 when he delivered over charge to one Mooroogapa Moodily.

There is nothing on my records to enable me to afford explanation for the omission of Ramanooja Iyengar's name in the Pay abstract of the time in question.

3 Being on circuit, the Register is not with me but there must be some mistake as the Tahsildar, who is here states that his office was never abolished and that there has been no interruption in his continuous service. I will send for the Register and report hereafter if necessary.

4. I beg to enclose a translation of the order of Mr. Wood appointing Ramanooja Iyengar referred to in the 1st Para, and as I consider this sufficiently meets the recent requirements of the Government of India in the Proceedings of the Madras Government under date 5th December last No. 853, I have not thought it necessary to call upon the applicant for any affidavit or further proof of the fact of his appointment.

This is to Certify that I have examined the individual named Ramanooja Iyengar that he seems to suffer from general debility, and from weakness of the digestive organs, and does not appear to me likely to materially improve, and that therefore I am of opinion that he is physically unfit for further active Service.

I further certify that this ill health is not the result of his own Misconduct.—

General and increasing debility with weakness of the digestive organs rendering him incapacitated for further active duty	This Officer has of late been found deficient in mental and physical energy and repeated instances of dereliction of duty have led to as frequent fines. He has become very thin and sickly, and is in that chronic state of weakness that renders him quite unequal to the heavy duties devolving on the head of a Talug. He has always held a good character and been esteemed an able officer. In another two years he would be entitled to a monthly Pension of 113 Rs: his present retirement entitles him only to Rs 57-10 .. It is his own desire to retire as he could not be continued in his present office and to degrade him to one of inferior emolument more suited to his present physical condition would be felt by him as a punishment & would hardly be a measure of strict justice. It is therefore urgently recommended that the Pension solicited be granted Collr.	57-10 4th January 1863	South Arcot
