The Commisary General Madras

The Humble Petition of
Esobaraw late 6th Writer of
Trichinopoly Comm^{ty} Office

Humblly sheweth.

That your Petitioner has served
9½ years in the Pay Department at Bangalore
and 12½ years in the Commisariat Department.
From both these Departments your Petitioner
was Discharged by a Reduction in the former
on the 31st January 1835, and in the latter on
the 30th November 1860, agreeably to your
instructions to the Commis^{ry} Officer Trichinopoly.

2—Your Petitioner, on his services being
dispensed with by the abolition of the Pay Office
at Bangalore, failed to procure a Government
Employ altho he had endeavoured to get one.
he has neither claimed nor received any
Gratuity for the loss of his situation with the
intention of Counting his past services towards
Pension when re-employed in Government
Offices: he was afterwards obliged to take up
the duties of a Keel Veer in B. M. late P. & C. L. S.
in both instances, Your Petitioner humbly
submits was brought about from causes
beyond his Control.

3—It has been ruled by order of
Government (Financial Department dated
Fort William the 10th November/62) that
"Uncovenanted servants thrown out of employ
by the Reduction of Establishments after having
Continuously served for 20 years or more, may
be Admitted to pension" Your petitioner respectfully

states that he was discharged on the 30th November 60 or two years before this order was announced and is therefore entitled to a pension agreeable to the Rules in force at the time of his discharge viz^t to $\frac{2}{3}$ of his salary or Rupees 5-13-4 per Mensem -

4 Notwithstanding this, Petitioner was appointed to the Commt. Department in June 48 as per annexed statement long before the issue of the order requiring the services of uncovenanted servants to be continuous to the benefit of Pension. Moreover this order does not apply to a Person thrown out of employment by abolition of his Office as per order quoted in the margin and trusting that this would be treated as a special case on the part of the Petitioner.

5 Your Petitioner on being recommended for the authorized pension the Government sanctioned him a Gratuity of Rupees 150 - equal to 6 months salary which Petitioner is prepared to refund. In Conclusion Petitioner respectfully requests that this application may be submitted with your recommendation for the reconsideration of Government in order that the boon he has solicited may be granted to him for which act of charity your Petitioner as in duty bound shall ever pray; and in the event of its not being granted Petitioner requests that this may be forwarded on for the consideration of the Authorities at Bengal through the proper Channel -

Pension Commissariat Office S^r D^r
Trichinopoly 28th Feb^r 1863.

Sir,

I have the honor to forward
a petition from E. Soobasay, late 6th
Writer in this Office, & recommend it
to your favorable Consideration on
the following grounds.

First.—When a man enters the
service of Government he expects to
benefit by the Pension Regulations then
in force. Now, when the Petitioner
entered the Government Service, and
even as late as 1852, when Revised Pension
Regulations were published, the
rule ran, that "The applicant must
have been employed in the Public
Service for a period of at least 20 years".
This requirement has been fulfilled
by the Petitioner, as he has completed
a service of 22 years.

Second.—When in 1852 a rule was
made that the service must be
Continuous

Continuous, a proviso was added,
that "this Rule does not apply to
Cases in which a Public servant is
temporarily thrown out of his employment
by the abolition of his Office, and is
thus prevented from rendering a
Continuous service for the period
necessary to qualify for Pension." This
appears to me to include the Petitioner's
Case, & to decide it in his favor, should
the first plea not be admitted.

I have the honor to be
Sir

Your most Obedt. servant.
