This is to certify that I have seen Gund-
lapalli Phashya Karlu late Saraf of old
Talamanch Talug, and from personal
examination of him, am of opinion that
by reason of impaired vision of which
there is evidence in the eyes, weakness
in loins and limbs, and tendency in
latter to dropsical swelling, and stated
liability to fainting, he is unfit for the
active performance of duty.

Gundlapalli Bhaskara Karlu being 50 years old, and having served Government for more than 26 years as is borne out by the accompanying Service Register, which is also verified by the records of this Office his application is recommended for favorable consideration for the following reasons. 1. He is physically unfit for the further performance of the duties of his Office as shown by the accompanying certificate granted by the District Surgeon, Bellary. 2. His general character has been on the whole satisfactory. A pension of 1/3rd of the average salary drawn by him during the past five years is therefore recommended to be granted to him from the date of medical certificate or 8th May 1863. 3. The delay in submitting this application is owing to its having been first thought to employ the applicant on the occasion of a vacancy, he being one of those thrown out of employment in 1860 by the revision of Establishments. Having now applied for a pension & submitted the requisite medical certificate in support of the same, his request is accordingly forwarded.	Rs 108 4 10 8	Bellary
