To,

Civil Paymaster
Fort Saint George

Sir,

In sending down an application in the usual form for G. Kondiya, Sub Magistrate of Vizianagaram, I feel it is due to him to explain that his being unemployed for 20 days, from 22nd September to 13th October 1845, was not owing to dismissal for any misconduct; but only because the Collector considered he would do better in some other department than the Salt, in which he was inexperienced.

The order runs thus. "Whereas the entries of Mastage continue in excess of what is usual, I am led to conclude that you are not experienced in the present business, so you should give over charge to A.B; and come in and attend at my Head office"; and he was immediately after employed as a Revenue

Amree

Ameen in charge of a considerable
holding.

2. With this explanation
it will be seen that the Applicant
has a clear claim to a Pension
of one half his average salary for
the last five years.

I have the honor to be
