2nd July 1863.

From Major J. C. Anderson R.E.
Super Engineer 2nd Div
To Colonel W. J. P. Diron R.E.
Secretary to Government
D. D. W.

Sir

Under the new Pension
for the disengaged servants
Rules, promulgated in the Supple-
ment to Fort St. George Gazette
dated 26 June 1863, it is provided
in para 8 / Retirement allowances
that Officers are entitled to
pension or gratuities according
to length of service, when discharged
on reduction of Establishments.
I have the honor to request
that Government will be pleased
to inform me, if the rule in
question is applicable to
Members of Office Establishment
Depart. D. W. who may be
transferred from one Office to another

with a certain loss of salary; as
for example. The Head Account-
ant & District Engineer's Office Bellare
Salary 55 Rs., on the abolition of
that Office, is offered a situation
as Estimate Maker in the Super-
intendent Engineer's Office 2nd Division
on a salary of 50 Rs. - We bring
forward a claim for pension
under the above rule, on the plea
that he is discharged by the
abolition of the District Engineer's Office;
and as he would prefer the
pension due to his length of service
18 years which would entitle him
to Rs. 18 1/3 per mensem to the
reduced salary offered him -

2. I myself am of opinion
that the claim is altogether
invalid; but as I have reason
to believe that a similar one,
will be submitted by other members
of the Office Establishment to similar
circumstances to the
individual in question, I would

3
I solicit Government to issue such
orders as may be necessary
to remove all doubt on the subject.

I have the honor to be
Sir
Your most obedt Servt.
