to Rheumatism, and consequently unfit for

The following, in reply to

 December 1862, that the
 alleged services of Jagannad
 Seng are disapproved
 by the records of this and
 the Collector's Office.

The prescribed Medical Certificate is herewith forwarded, and from a perusal thereof it will be seen that the Billah Surgeon at Amrool is of opinion that Jagannad Singh is not likely to derive any material improvement, from relaxation of his duty, or Medical Treatment, and that his incapacity has not been induced by intemperance, or other irregular habits.

This Statement Captain Beatty represents is borne out by the records of the District Engineer's Office, and by a Certificate granted by

by the Acting Collector of Amrool.
4. As respects the Sub Overseer's Character Captain Beatty reports that "Of late years he has been inefficient; this has been brought to notice on more than one occasion, and was no doubt owing in great measure to his bodily infirmities, and neglect for the endurance of fatigue and exposure, but as far as I can ascertain he has never been principally of dishonesty or other serious misconduct, under these circumstances and considering that the Sub Overseer is 62 years of age, I beg to support the recommendation made on his behalf by the Acting District Engineer for his transfer to the Pension Establishment, on a monthly Pension of Rs. 9-2-8, equal to one third of the average Salary Rs. 27-8-0 he has drawn during the last five years.
