Sir,

With reference to the statement of
Applications received from different individuals who
were thrown out of employ on the introduction of the
new Police for gratuities, submitted with my letter
of the 2nd March last N^o 111 and sanctioned by
Government in the Proceedings of the 15th Ultimo,
I have the honor to state that Jodigunta Sitara=
=munda the late Peshkar of the Cocanada Division
urges his right to receive a pension on the ground
that he was employed in different situations for
a period of more than twenty years. From the statement
in question it will be seen that his first Service of
4. 11. 9
7. 4. 9. is connected with the estates under the
management of the Collector. As the rules say
that

that employment on extra or temporary establishments does not confer any claim to Pension or gratuity. I did not consider that this Service could be reckoned, but with reference to the long period during which the above individual was employed in the Estates under management from which he was transferred to a situation on the fixed Establishment, I submit the claim for your consideration and I request you will inform me whether the period above referred to can be counted in reckoning Service for Pension.

I have &c

This present state of health is owing to weakness of vision & debility, and as far as I am able to judge not the result of intemperance or other irregular habits and I am of opinion that no permanent benefit is likely to result from medical treatment or relaxation from duties so as to render him again an efficient Government Servant and that he is therefore a fit object for Superannuation pension.
