I beg leave most respectfully to inform
your honor that from the year 1835 I was entertained
in the capacity of Correspondence Clerk on the
Receipt of Salary of Rupees 21-00 per Mensem.
My salary was gradually increased to Rs. 50-00
in which I was now drawing performing the duties
of preparing and forwarding monthly to Govt.
the Abstracts of the Possessions of Her Majesty's
British and Indian Forces and for the amount
of Deposits withdrawn from the Government
Savings Bank on account of Her Majesty's Forces
for transmission to the Home Government
according to the various orders of the Right
Honorable the Secretary of State for India
and from the Office received from Government.
I have completed a period of service of
24 years and six months during which time
I have invariably paid due
care and attention in the efficient discharge
of the duties allotted to me and thereby I had
the honor of meeting with the entire satisfaction
of my superiors under whose immediate
superintendence I have been placed and I now
regret to say since this one year past I find
truly my constitution growing weak and my
natural strength falling to decay by the old age
and infirmity of above 50 years these failures
incapacitate me for the future discharge of
my duties

Under these circumstances and in
consideration of my long and faithful service
I beg most respectfully to crave your goodness
will be pleased to submit to Government
this my humble application with your kind
recommendation for their favorable consideration
and obtain for me a Superannuation Pension
of $\frac{1}{2}$ of my present salary of Rupees 50
payable in this Office agreeably to the recent
orders of Government notified on the 26th June
1863 allowing me to retire from the service
from the 1st July 1863. This boon will not
only relieve me in some measure from
the troubles I am now laboring under and
no doubt will also place me in such a
position as would enable me to pass the
remainder of my days with some better
facility and happiness.
I further beg leave to bring to your
honors kind notice that besides these I have
served in the Accountant General's Office for
some years in the Civil & Foreign Voucher
Department and from September 1827 to July
1832 as Correspondence Clerk the periods of
which are not included in the abovementioned
service of 27 years and 24 months.

This act of favor and justice
shall be gratefully remembered for ever
with marks of respect and sincere
gratitude.

Your obedient servant,
