PROCEEDINGS OF THE BOARD OF REVENUE, dated 24th June 1863.

Read the following letter from E. B. FOORD, Esq., Acting Collector of the Kistna District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Masulipatam, 15th June 1863, No. 124:—

1. In my letter dated 20th November 1863, No. 209, I had the honor to report that I had granted Ramadugu Venkatappaiya, Tahsildar of Rajapeta Taluk, leave of absence on Medical Certificate for a period of six months, as he was nearly blind from the effect of cataracts in his eyes.

Herewith enclosed.

2. His leave expired on the 26th ultimo, and he has sent in another certificate in which he applies for leave of absence for a further period of six months.

3. I have seen him, he is so blind as to be unable to walk without being led, and quite incapable of distinguishing objects. I recommended him to apply for pension, which he stated he was willing to do, but that although he had served for 20 years, during 10 months of his service he had received only Rupees 10 per mensem, and he was consequently not entitled to pension.

4. It appears to me to be more than doubtful, even if a successful operation were performed, that he would be again fit to exercise the arduous and important duties of a Tahsildar and Sub-Magistrate; and to give him leave merely to allow him to make up his service for pension, would be permitting him to make a convenience of the public service.

5. His case is doubtless a hard one; but I see no course that I can with propriety recommend, but that he should apply for pension; and I would request the Board to support the application, as a special case, irrespective of the regular time of service for pension being incompleted. A statement of his services is herewith forwarded.

Acting Collector

Remarks

On the 7th January 1842 Mr. Golongham the late Collector had entertained me in the Public Service; while holding the situation up to 12th April, the Estate having been made over to the Zamindar my situation was discontinued. Having had occasion to provide for the thrown out servants Mr. Mathinson issued an order on the 13th April 1843 displacing me from employ.

After which I had attended for some time at the Huzur up to 6th October 1843 Mr. Stoker was then pleased to appoint me as Samuddar of Duggirala in the Repally Talug. From which I was promoted to the Samutdar situation of Evany Mutta on Rs 12 pay (a promotion of Rs two), from that situation Mr. White granted me the Motarpha Madatgar situation at the Huzur on Rs 12 pay from that to the Huzur Assistant Jarabnviss situation of Rs 14, from that to 21 Rupees as 2nd Jarabnviss in the same department, and latterly to the Salt Jarabnviss situation of 28 Rs pay by the said gentleman. From that very Office Mr. Purvis appointed me as Revenue Head Munshy on 70 Rs pay.

While continuing in that situation Mr. Gordon bestowed on me the 2nd class Tahsildarship of Guntur Talug on 100 Rs pay (with a promotion of Rs 30). Orders having been issued by the Authorities declaring that persons who did not held the situation of Tahsildar in the Ryt but are not to be considered eligible to hold the situation of Naib Sherastadar at the Huzur, the then Collector taking my proposal into his consideration favoured me with the 2nd class Tahsildar situation.

Mr. Newill on the 12th April 1856 issued me an order No 617 appointing me to the 3rd class Tahsildarship of Vinucondа on Rs 80 which was then in a quite disturbed state, and stating in it that it will be just for me first to have held ~~the~~ 3rd class Tahsildar's post considering himself that I am fit person to exert my utmost endeavours and bring the Talug into a good state by settling all litigious disputes then pending and clearing up the heavy arrears of correspondence, and also stating that I should use my best endeavours to succeed in all these points.

Accordingly I held that Office for 2 m. - 9 d. Mr. Newill finding my active services and the trouble I had taken in bringing the Talug into a proper state, again appointed me to the 2nd class Tahsildar situation of Nartur on 100 Rs pay on the 1st July of that year.

I was at Vinuconda for some time receiving the same pay, to settle the rest of the arrears. On kind consideration of all the above facts that very gentleman on the 11th July 1857 again transferred me to Guntur as 2nd class Tahsildar which I lately held for some time.

While continuing in it, on the 17th October 1860 Mr. Thornhill the late Collector issued to me an order No. 180 appointing me as 1st class Tahsildar of Chandavole on 120 Rs a month.

In the amalgamation of the Talugs of Repally

CIVIL PAYMASTERS OFFICE JN 1 1863

and Chandavole ~~which took~~ place ~~recently~~ the, ~~said Collector~~ on the 20th March 1861 again appointed me as Tahsildar of Koartur -

I was first entertained as Samutdar on 10 Rs. pay and had gradually rose to the situation of Huzur Head Munshee on 70 Rs. and afterwards to the 1st class Tahsildar ship 120 Rs. and conducted the duties of the Circar with utmost care and diligence without least fault by maintaining good character from my several employers under whom I had hitherto served

This can be seen from the Hookums and Testimonials of characters I possess from my employers.

Sir,

In reply to your letter as per margin× I am of opinion that a successful operation could only be performed upon one of the Thasildar's eyes.—the other has already been spoiled by a native practitioner - I intend operating upon the remaining eye but I do not think in the event of the operation being successful the patient will be fit for the arduous duties of a Thasildar.

1 The Governor in Council observes that Ramadugu Venkatappya was not certified to be permanently unfit for further service until the 6th August last. The former certificate* forwarded with the Collector's letter to the Board of Revenue recommended only the grant of leave of absence for six months, the Medical Officer distinctly saying that Venkatappya would in his opinion be "capable of further service after a successful operation on his eyes". The Collector

*Dated 23rd May 1863.

Collector, however, declared the man to be in his opinion permanently unfit for duty and wrote to the Board of Revenue recommending him for a Special pension to commence from the 26th May the date on which his first leave of absence expired his service under the rules then in force being ten months less than the required period.—

2 The letter having een forwarded to the Civil Paymaster the Collector was called upon to submit a Register of application for Pension in the usual form, and then for the first time August 7th 1863 obtained a Certificate from another Medical Officer expressing the opinion that Vencatappya was permanently unfit for duty. Vencatappya is strongly recommended for a Special pension and appears to have been a meritorious public servant and to be entitled to any indulgence which is authorized by the rules.—

3 The Governor in Council is pleased to direct, therefore, that his removal from the Service shall have effect from the 6th of August only, the date on which he was certified to be permanently unfit for duty – and to Sanction the grant to him of the pension of 1/3rd his average salary for the five years preceding 27th November 1862. the date on which he obtained leave of absence, to which his previous service as verified by the Civil Paymaster entitles him under the Rules sanctioned by the Government of India on June 8th 1863.—
