Proceedings of the Madras Government

Read the following letter

From The Collector of Madura (Here enter 12th September 1863
N^o 554)

Order thereon 15th October 1863 N^o 315

The Gov^t in Council is unable to
accede to either of the suggestions
made in the foregoing letter.

2. Mr. deering will point out to
Mr. Ram Rao that a portion
of his father's pension was
authorized to be continued to
his next heir only. Ram Rao
is right therefore in supposing that
the certificate lately issued in his
name as the deceased's eldest
son authorizes payment of the
pension only to himself ^{only} during
his life-time.
