I hereby certify that the bearer Shaik Abdool Rahman attended me as Hindoostanee Moonshee for a few Months from whom I derived great assistance in learning that language, and I consider that he will be a great acquisition to any gentleman wishing to learn that language, both from his deligence and his Knowledge of English

(Signed) G M Swinton

This is to certify that Shaik Abdool Rahman was my Moonshee for a Short time, and that I consider him a very clever and attentive person

(Signed) W H G Mason.

Copies of Testimonials granted to Shaik Abdool Rahman while employed as Head Moonshee in the Additional Government Commissioner's Office.

On leaving the Office of Additional Government Commissioner I consider it incumbent on me to express the high opinion which I have formed of the Head Moonshee Abdool Rahman.

During the 11 months I have been acting I have always found him a well behaved, diligent, and talented public Servant, and it would give me gratification to hear that his deserts had secured him a higher and more pleasant Situation than the one he now holds.

The Bearer Shaik Abdool Rahman Served under me in the Carnatic Commissioners Office as Head Moonshee on a Salary of 60 Rupees monthly for 3 years - In an Office open to great temptation, I found him uniformly trustworthy, and a very efficient public Servant - He has a good Knowledge of Persian, English and Tamil, and some acquaintance with Teloogoo. I can recommend him as a Superior public Servant

(Signed) J. T. Thomas
Carnatic Commissioner

Abdool Rahman

I am very willing to bear testimony to your Character and abilities and to assist you in procuring the Situation under the Nabob which you desire, but I still think you would do well to consider before you resign the situation you now hold under Government.

I am aware that as the Head Moonshee in the Additional Government Commissioner's Office you are exposed to the threats and abuse of those Claimants, whose attempts at imposition you may make Known to the Commissioner, but you must learn to consider this as a distinction as a feather in your cap. and if you continue to conduct yourself in the same Exemplary manner as you did when

I held the situation of Additional Government Commissioner, depend upon it your Servi will not be overlooked by the Government

The Knowledge you possess of English, the Tamil, and Teloogoo languages render you peculiarly well fitted for the situation you now hold, and Mr Thomas may be put to some inconvenience should you resign your appointment; but Mr Thomas like myself, would not I dare say, wish that your usefulness and hitherto good conduct should stand in the way of your further promotion, and it is on this ground that I am induced to make mention of your Services, with a view to your procuring employment elsewhere.

30th January 1838 }

Your friend and well wish

(Signed) William Douglas.

Copy of a letter sent to J. F. Thomas Esqr. by William Douglas Esqre.

My dear Thomas,

Your Head Moonshee Abdool Rahiman has been applying to me for a character with a view to procure an employment in the Nabob's Durbar. He is so upright a servant and perhaps so useful to you from the Knowledge he possesses of 3 languages, that you may not be inclined to part with him, and I would advise him to remain in his present employment unless you have another person in your eye, who would be equally useful to yourself in my opinion. Abdool Rahiman is a most excellent public servant.

Yours sincerely

(Signed) William Douglas

Copy of an Endorsement of J. F. Thomas Esqre on a Petition.

I bear my testimony with pleasure to the efficient aid I have received in this office from Shaik Abdool Rahiman, Head Moonshee and Interpreter; he has discharged the duties of these Offices for 4 years past in a manner quite satisfactory, and I consider him a competent interpreter both in Hindoostanee and Tamil

(Signed) J. F. Thomas
Carnatic Commissioner

15 December 1838

P.S.

I am enabled also to certify that Abdool Rahiman has a good Knowledge of Persian, and has been daily required to read papers in that language.

(Signed) J. F. Thomas.

Para. 3. The second application is from the Head Moonshee of the Additional Government Commissioners Department. If it were practicable I should take the liberty strongly to recommend his application to be employed as District Moonsiff for which Office his integrity, his acquaintance with the vernacular language and his general abilities will qualify him. It is due to the Head Moonshee to state that his conduct during the whole period I have had the immediate charge of the Office, has been highly praise worthy in a situation open to very great temptation; I believe him to have been thoroughly upright and faithful trust and the same testimony is borne by Mr Conolly and Mr Douglas by whom he was originally placed in the Office.

4 If it be found impracticable to attend to his application for Employment I would then submit for the favorable

consideration of Government his request for some Additional remuneration in consequence of the low Salary he has drawn compared with persons employed before him in the same situation the bounty of the Government in his Case is well deserved and I would take the liberty to propose that 10 months additional gratuity beyond that granted to the other Servants be granted to him making in all 12 months gratuity or Rupees 720 as the Office is closed six months earlier than the term prescribed by the Supreme Government, this Sum will not, I trust be thought too large to propose

True Copy,

(Signed) J. F. Thomas

Copy of a recommendation made by J. F. Thomas Esqre

To the testimonies of Mr Douglas and Mr Conolly, the present Additional Government Commissioner can add, that during the period he has been in the Office, the conduct of the Head Moonshee Abdool Rahman, has been at all times most satisfactory. He can also certify to his ability as a Hindoostanee and Tamil Interpreter and that he has a fair colloquial knowledge of Teloogoo-

The allowances he has received in this Office are below those of former Servants in the same situation whilst the responsibility and the duty have been greater If not improper the Additional Government Commissioner would take the liberty strongly to recommend his Petition to the favorable consideration of Government

May it please your Excellency,

Your Excellency's Government having, in Para 3 of their Proceedings dated 26th August 1863, No. 1386, been pleased to order the abolition of the Principal Sadr Amin's Court of Coimbatore over which I had the honor of presiding for nearly 9 years past, and the date fixed for such abolition, namely 1st October 1863, being nigh at hand, I respectfully beg to be pardoned the presumption I have assumed in intruding on your Excellency in Council's precious moments with this humble application.

question; while the facts, which I now beg to lay before your Excellency, supported as they are by credentials from Gentlemen held to this day in high estimation by your Government, and by Official Correspondences which had taken place on my behalf from time to time between Government and my immediate Superiors, would speak for themselves whether I do or do not deserve your Government's patronage.

3 In the year 1832 my career of Public life commenced with the late College of Fort Saint George as a Moonshee, and in 1834 I was appointed by Mr. Douglas, the then additional Government Commissioner for Carnatic claims, first as 3rd and subsequently as Head Moonshee and Interpreter of his Office. In October 1839 this Office was abolished and Mr. Thomas the Commissioner, in Consideration of my efficiency and the faithful Services rendered by me to Government in an Office which involved great responsibility and also of my unwearied exertions relative to the speedy settlement and early close of the Commission, recommended me to Government for the Office of a District Moonsiff. The Government thereupon desired the late Sadr. Court to issue instructions to the Provincial Courts to give effect to my claim for the said Office, and I was accordingly appointed by Mr. F. M. Lewin then Zillah Judge of Combaconum, on the 18th July 1840 as a 3rd Class District Moonsiff, and was promoted to 1st Class District Moonsiffship by Mr. Douglas on the 26th August 1843.

4 After 12 years Service as District Moonsiff I got the Office of Moofty Sadr Amin wherein I remained for two years, and in December 1854 your Excellency's Government were graciously pleased to confer on me my present Office as Principal Sadr Amin of Coimbatore.

5 In addition to my credentials and the Official correspondences, which have taken place about me and are on record I may say that Mr. Ward the Civil Judge, who has been in this District for more than 6 years, and Messrs. Thomas and Grant the late and present Collectors, as well as many other Gentlemen such

as

as Messrs Cherry, Walhouse, and others with whom I had the happiness of being acquainted in this District, will be able to bear testimony to my integrity and to the deligent discharge of my duties to the best of my abilitees.

6. Now the sudden abolition of this Court I, indeed, fear, would put me and my large family to great difficulty should I, whose only means of Subsistence is your Honorable Government's bounty, be not adequately provided after my long and attentive Service.

7 My period of Service as per list herewith submitted extends over a period of 30 years if my Service as College Moonshee is also included. Of these 30 years I have served more than 23 years in the Capacities of Moonsiff, Sadr Amin, and Pl Sadr Amin. I have been but for about 9 months without employment between the date of abolition of the Commissioner's Office and my appointment as District Moonsiff of Mannargoody.

8 I am thus an old Servant of Government and that I have devoted a great portion of my life to public duties and discharged them with honesty and deligence will, indeed, be evident to your Excellency by the very facts of the late Sadr Court having of their own accord, promoted me to the Office of Moofty Sadr Amin, and of their having again in the same manner selected me as a Candidate fit for Principal Sadr Amin, and also of your Honorable Government having appointed me as Principal Sadr Amin of Coimbatore giving preference to my claims over those of several of my Seniors.

9. Under these circumstances I earnestly crave your Excellency in Council to take my pitiful case into your Excellency's favorable Consideration, and grant me a pension equal to one half of my Salary, to which I am entitled, under the new Uncovenanted Pension rules. But in the event of your Honorable Government thinking, that the period I have served does not entitle me to a pension equal to a moiety of my Salary

I

I have, under the facts above represented, no alternative but to serve out the period which will entitle me to such pension; and therefore respectfully beg your Excellency in Council to be so charitable as to appoint me to any Office of a Salary equal to the one I at present draw and protect me with my large family.

For which act of Charity
I shall in duty bound for
ever pray.

Y. 23 m. 1 D. 19	Rs. 500 A. " P. "	The Offg. Civil Paymaster has the honor to report that Shaick Abdool Raheman Sahib Principal Sudr Ameen, Coimbatore, can reckon service for Pension from 13th July 1840 to 31st August 1863, and that this service is borne out by the record in his Office. Abdool Raheman's service prior to 13th July 1840 is not reckoned, as he received a Gratuity for that service. He is eligible to a Pension equal to a moiety of his salary under Section 5 Clause 3 of the Superannuation Pension Rules of 1831. It rests with Government to determine whether or not the Gratuity already drawn by Abdool Raheman should be refunded. Under ordinary circumstances he would not have been entitled, even had his first service been included in the calculation, to anything beyond the half pension, and it is questionable whether he has a claim to retain the Gratuity on being allowed such pension.
