Sir

On the 1st October 1862 the rest house at Ootacamund was abolished and the Purveyor Armoogum was discharged.

2. Armoogum has been employed in the Commissariat department for 19 years - 6 ms - 17 dys and having lost his situation through the abolition of his office, I would recommend him for a Gratuity, as he is no longer fit for work & has been now six months out of employ. You will observe that he had only a few months more to serve to entitle him to Pension which he would have had but little difficulty in obtaining as he is old & infirm.

Sir,

With reference to the Memorandum from the Deputy Secretary to Government dated 27th July 1863 No. 48, I have the honor to observe, that the services of Auroomoogum Pillay in the Civil Dispensary at Trichinopoly and in the Rest House at Ootacamund attached to the Commissariat Department at Wellington, appear by the Statement of the Executive Commissariat Officer (herewith sent) to have been dispensed with on the reduction of the Establishments, but his other services with Regiments are of a temporary nature as already stated in my former report.

2 As the break of the services of the above Individual was occasioned by the reduction of the Establishment, I think that he is entitled to the service of 13 years 5 Months and 15 days. Should his past service be admitted as continuous, under a Despatch from the late Court of Directors recorded in Minutes of Consultation 14 October 1858 No. 80, a gratuity of 4 Months Pay amounting to Rupees 70 at Rupees 17-8-" per Month may be passed agreeably to Proceedings of Government 1st July 1862 No. 491.

3. As however it appears that the services of this individual have been rendered in the Civil Dispensary, the donation should be paid in the Civil Department.

4. The delay in submitting this report was occasioned by a reference to the Commissariat Examiner, whose reply was received on the 8th instant.
