JUDICIAL DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Extract from the Proceedings of the Government of India, in the Financial Department, dated 14th August 1863, No. 3,806.

Read again Financial Resolution, No. 1,646, dated 22nd April 1863, relating to the pension proposed in favor of the widow of Kungee Nair, a Police Constable in the Malabar District, who was killed in the execution of his duty.

Read Endorsement from the Home Department, No. 4,780, dated 31st July 1863, forwarding a communication from the Government of Madras on the same subject.

RESOLUTION.—In the Resolution of the 22nd April 1863, exception was taken to the high rate of pension (Rupees 3-8 a month) proposed in favor of the widow of Kungee Nair, as compared with the rate (Rupees 2-12 a month) allowed to the heir of a Sepoy of the Native Army killed in action, and the Madras Government were requested to re-consider the case with reference to the views expressed in that Resolution.

2. The original recommendation is again pressed on the ground that it will scarcely secure to the widow and her two orphans the barest subsistence, as Malabar is a very expensive District, and that it is difficult to get Hindoos to face Moplah Bravoes, as was done in the instance in which Kungee Nair met his death.

3. Under the above circumstances, the Honorable the President in Council is pleased to sanction the proposed pension of Rupees 3-8 a month, to be continued until the two children of Kungee Nair are capable of earning their livelihood.
