I beg leave to report that since Ponapa Maistry came here he is suffering from a bilious attack which has brought on a total aversion to food, and that this has been caused by the injurious effects of the water of the different villages which he had to visit in the execution of his duty. He left this yesterday morning for Pullikonda saying that he was going there for medical treatment, and would return when he is cured of his malady

I have transferred Parasuramma [illegible] Naistry of the Tiruvattoor Talug to Polur, and Subbaroya Naistry doing duty in the Arcot Talug to Tiruvattoor, and have appointed Chittoor Ponnapah Naistry in the room of Subbaroya Naistry - As the Naistries of the Wandawash and Polur Talugs, who have hitherto received no fixed salaries, have become superannuated, and are in consequence incapable of discharging their duties with zeal and activity, I have discharged them both, and have as already stated transferred Parasuram Moodelly to Polur, and deputed Ponnapah Naistry appointed in lieu of Arcot Subbaroya Naistry to do duty in the Wandiwash

Wandiwash and adjoining Tiruvattoor Talugs; Subbarayo Maistry doing duty in the Tiruvattoor and the adjoining Arcot Talugs. REPORT OF THE CIVIL PAYMASTER.

Service of Applicant as verified by Civil Paymaster.	~~Average of~~ salary for the last 5 Years.	Remarks.
Y. M. D. 32-7-12	Rs. A. P. 60 — — × From 1st March 1826 to 19th July 1840 & — " — 8th January 1841 to 30th April 1863. made	The Offg. Civil Paymaster has the honor to report that the services of Ponnappah Moodelly, Sub overseer 1st Class 1st grade, Madras District, prior to December 1853, were verified and reported upon in letter from this Office dated the 7th March 1854 No. 97 wherein he was shewn to have served for a period of Years 26-6-12, ✝ for which service he was allowed a additional pension of Rs. 6 a month – He drew this pension from 6th December 1853 to 30th April 1855, after which date he reentered Government Service under orders of the 27th April 1855, No. 102 Public Department. His second service under Government can be verified from the records of the Civil Pay master & the Controller and Auditor of Public Works accounts, only from 1st May 1857 to 31st March 1863. Ponnappah however has submitted an affidavit to shew that he actually served in Government from 1st May 1855 to 30th April 1857 but this affidavit does not appear to have been made before a Magistrate.– There was an interruption in Ponnappah's first service, which was not mentioned in the Report from this Office dated 7th March 1854, caused by dismissal for having not only absented himself but left his station without leave on the ground of ill health, & he remained unemployed from 20th July 1840 to 7th January 1841 – If Government are pleased to decide that the fact of this dismissal, under the circumstances, should not affect Ponnappah's previous service, and also allow him to count in the period from 1st May 1855 to 30th April 1857 which cannot be verified from Official records, his total period of service will then amount to Years 34-7-12, and he will be entitled to a pension equal to a moiety of his salary under the old rules on submission of a Medical Certificate – In the event of Ponnappah's service preceding his dismissal not being allowed to count, his service including the 2 Years supported by affidavit amounts to Years 20-2-23, and he will be entitled to only one third pension.–

The Government do not think that the circumstances of Ponnappah's dismissal in 1840 reported by the present Civil Paymaster, ~~are~~ are such as should debar him from his claim to count his previous service for pension. It appears from the report received from the Ag. Collector of North Arcot to have lost his employment for six months in consequence of his ill-health, & to have been re-employed at the end of that time with the sanction of the officer who dismissed him.–

2. Ponnappah will be allowed therefore ~~the~~ under the medical certificate now furnished. pension, equal to a moiety of his average salary for the last five years, to which his service [illegible] under the old rules.

The Pension will be payable from 1st ~~April~~ 1863.
