of his duty.
His present state of health is owing
to weakness of vision and old
age and as far as I am able
to judge not the result of intempe-
rance or other irregular habits
and I am of opinion that no
permanent benefit is likely to result
from medical treatment or relaxation
from duties so as to render him again
an efficient Government servant
and that he is therefore a fit
object for the Superannuation

Report of the Civil Paymaster.

Qualifying Service of Applicant as verified by Civil Paymaster.

Average of salary for the last 5 years.

Remarks.

24-10-3
30-5-3

22-7-4

The service of K. Shivaraya, Head Goomastah in the Karapa Division, Godavery District, can be verified from the records of the Civil Paymaster Office from 12th July 1832 to 25th October 1833 - from 6th September 1837 to 25th February 1857 and from 21st April 1857 to 31st July 1863.

From 26th October 1833 to 31st August 1837 he was on lostates.

From 1st to 5th September 1837 he was unemployed consequent upon his having been "dismissed the service for absenting himself from duty" and from 26th February to 20th April 1857 he was again unemployed, his services having been dispensed with by the abolition of Mogallore Salt Cotaur.

He was absent for about 5 months and 18 days on leave which do not count towards pension.

He is eligible to a good service pension equal to a moiety of his average salary under para 6 of the new rules for his service of years 30-5-24, but if Government consider the offence for which he was dismissed the service in September 1837 to have been of such a nature as to disentitle him from his pension his service qualifying for pension will then amount to years 25-3-12, and he will be eligible to a pension under clause III of para 5 of the abovementioned rules.

In calculating Shivaraya's average monthly pay for the last five years of his service, his Acting pay between June 1860 and April 1861 has been taken into the calculation, as he was then acting in a vacant appointment and drawing full pay.
