Sir

I have the honour to forward herewith, for the information of Government, a Memorial addressed to me by Mr. Pelletier, Principal of the Government College, Kumbakonam, requesting that he may be granted a Medical Certificate to enable him to obtain leave of absence on account of ill health.

Mr. Pelletier has been under my professional care for some time past, and I have no hesitation in stating that he is suffering from a severe attack of Dysentery, and that I consider change of air necessary for the restoration of his health.

Received with Memorandum from Government No. 3670 of 1962

That he was never informed that any charges were brought against him till he appeared before the Commissioners in this investigation for the purpose of defending himself against the charges; and that he was not furnished with a copy of the charges or informed of the names of the witnesses by whom they were to be supported

Extract from the Proceedings of the Sudder

Adalut dated 9th July 1858.

Read letter from the Civil Judge

of Coimbatore dated 15th June 1858.

Read again return dated 8th October

1856 from the Civil Judge of Coimbatore to the

Precept of the Sudder Adalut of the 18th September

1856 directing him to forward an English transla-

tion of the proceedings held against the Cutcor Moon-

siff charging him with having received a contribu-

tion from a party who was at the time a Suitor

in his Court.

1. The Civil Judge of Coimbatore sub-

mits for the consideration and final orders of the

Court of Sudder Adalut the proceedings connected

with an investigation into certain charges brought

against the district Moonsiff of Cutcor.

2. On a consideration of their proceedings

the Judges are of opinion that no thing culpable has

been established against the Moonsiff under the

1st, 2d, 4th, 5th, 6th, 7th, 9th and 10th heads of charge.

Sd/ Illegible

The general objection to the matters alleged against the Moonsiff is that they are devoid of specific instances, and have not formed the subject of complaint at the time by parties aggrieved by his proceedings. The accusations are thus too vague and indefinite to be acted on.

3. As regards the 1st. head of charge it does not appear what was to be gained by the detention by the Moonsiff of Plaints put in, and the alteration of the dates thereof; nor, as regards the 4th, what reason the Moonsiff could have had for deferring the issue of notices, other than those assigned by the 6th Goomastah in his examination, and which involve mere impropriety caused by conselting convenience. The 5th charge is not corroborated by the Goomastahs and the Civil Judge seems to drop it. The 7th likewise is not proved. It rests upon hearsay.

4. The 3d charge, that of declaring decrees before drafts thereof are prepared, rests upon the same general grounds as those above observed upon, but in connection therewith it has been established that the Diary has been left in arrear and a false date inserted in a return reporting on the state of the diary.

5. The 8th charge, that of Kaisser-a-rav, the Moonsiff's son-in-law's attendance in Court, and his concern with the business of the Court, the Judge consider is substantiated. The evidence on this head is positive, and decrees are produced which the Moonsiff acknowledges to be in the hand-writing of this individual. The matter attracted the attention of the Sudder Udalat in their proceedings of the 24th October 1856, but the observations then made by them do not appear to have been communicated to the Moonsiff. The baneful influence of the individual in question over the Moonsiff is stated by the Civil Judge to have been long of public notoriety, and the Civil Judge's predecessor, in his letter of the 2d September 1856, in reporting on the Moonsiff upon the former occasion, describes this person as a most objectionable character against whom several complaints had been made, and whose association

with the Moonsiff had much prejudiced the repu-
tation of the Moonsiff, and states that he had
more than once recommended the Moonsiff to
remove this person from his neighbourhood, but
without effect. This person is now found to be
in frequent attendance on the Moonsiff at his
Court, and his hand, as above noticed, appears
in the decrees produced.

6. The Judges are unwilling to propose
the dismissal of the Moonsiff when a minor
punishment may suffice to awaken him to a
due sense of his fault. The alteration of date
in his return respecting the state of his diary ap-
-pears to be a solitary instance of the kind, and
to have been made under the pressure of the pre-
-sent charges; and as regards his official con-
-nection with his son-in-law Kaisava Rao there
is no proof that this individual has exercised
influence over the Moonsiff or done more than
copy out the decrees appearing in his hand-writing.

7. The Judges therefore think it suf-
-ficient punishment and warning if the Moonsiff

be

be suspended for three months and be after-
-wards transferred to Colligal or such other sta-
-tion as the Civil Judge may think best. The
Civil Judge is accordingly directed to issue his
orders to this effect.

of his immediate employers, & of the Courts of Lodr Cloncurry, & on their several proceedings / Recognizances mentioned / expressing their favorable Views in Quarterly Reports &c.

2 - - - That upon Petitioner last had the Office of the District Commissioner of Colliery and his Private Means amply proved sufficient to his Constitution, & his Service having exceeded a period of 32 years & odd, he tendered his Resignation requesting that he may be pensioned

3 - - - The Civil Judge in Receiving the Resignation on the 5th December 1861, stated in his proceedings that he will take into his Consideration how far he can recommend him for pension, and on the 10th of the same Month, forwarded upon Petitioner with a letter to the Medical Officer to examine him & Report, who accordingly examined Your Petr & sent a Certificate to the Civil Judge that he is fit object for pension

4 - - - The Civil Judge having forwarded in abeyance for three Months the Recommendation of Petitioner's Application for Pension, Your Petitioner addressed that Authority to submit his Papers for Pension for the favorable Consideration of Government, but the Civil Judge on stating that he will

not submit his Application for Pension recorded that he cannot Conscientiously say that his Conduct & Past Character have in his Opinion been good.

As, from the proceedings of the Civil Judge (Nov 1862) it would appear that that Authority was at first inclined to recommend Petitioner's Application for Pension to Government, & sent for Medical Certificate on that account; & then referred it to Submission for 8 months; and then again on proceeding it to Resubmission shows his Opinion as in favor; Your Petitioner believes that the Civil Judge must have by this time submitted his Pension Application to Govt but with his Favorable Opinion as stated in his proceedings, for unless the matter in Abeyance as he did Report, Your Petitioner begs to Represent humbly begs Your Lordship's Interposition as Appellant on the Grounds as hereunder stated, with Your hope that it will please Govt in its Benevolence which is generally due to the long Standing Services of the Civil Judge submitted Your Petitioner's Application for Pension to Govt

with

with the Civil Service Opinion as expressed in his Proceedings (No 2) Your Petitioner believes that his Unwillingness to submit favorable Recommendations must have Sprung from certain Charges which the late Civil Judge had been Referred to the Court of Enquiry Ordered in June 1858. In that case, as Your Petitioner thinks that it will be a Shame to his being pensioned for Life to state that the Court of Enquiry Ordered on their Proceedings of 6th July 1858 Acquitted him of all the Charges imputed to him (Petitioner), and were of Opinion that the Conduct of Them were quite understandable, and Ordered Your Petitioner to be Honourably to Continue Retired in Consideration of certain Acts of Negligence. By Virtue of the Order Your Petitioner was transferred from Carwar to Collegal District, where from he now Prays to be pensioned. If Your Excellency would call upon the Said Court to Submit their Proceedings of the 6th July 1858, and Refer to them, Your Petitioner's Assertion would be found to be true.

7 — As the Conduct of the Civil Judge not having Recommended Your Petitioner's Application for Pension to Government, he would ask

Your

ask Your Lordship whether from the explanations made in his Proceedings (No 1 & 2) the Civil Judge justified in not Submitting his application for Pension for the favorable Consideration of Government.

8 — Your Petitioner lastly Craves leave that in Consideration of his long Service and especially of the Spirit of the Civil Judge's Proceedings (Nos 1 & 2), the Government will, if the application were Submitted, call for the said Proceedings adverted to, and grant him Pension, and, if that authority has not as yet sent in that application to Government as promised in his Proceedings (No 2), will instruct the Civil Judge to forward the same Application to Covenant without any more delay —

2. Moorneewassa Cow says in his Petition that he has discharged his duties to the entire satisfaction of his immediate employers. I do not know what Messrs Harrington and Bird thought of him, but Mr Ramsay immediate predecessor Mr Ravenell was not well satisfied with him may be gathered from his report to the Sudar Adalat made upon certain charges preferred against Mr Moonsiffs in 1856; while on the 15th June 1858 I was myself constrained in a similar report made by me upon other charges against him to state that "my estimation of the Moonsiffs character and capabilities is as low as that entertained by my predecessor and apparently by the community at large"; and I am sorry to say, that this no further charges were brought against him till two

appointed just before the time he sent in his resignation (as I understood to avoid the enquiry into them) my opinion of his character and conduct has not in the mean while improved.

3 He says also that he has conducted his duties to the entire satisfaction of the Court of Sudar adalat. Adverting to Mr Ravenell's Report I feel bound to state that the Sudar adalat discredits the evidence brought forward in support of the charges made against the Moonsiff on that occasion and were by required that he should not allow his son in law Cassava Mow (a person mentioned in Mr Ravenell's letter) to live about him. But in reply to my report they directed that he should be suspended for 3 months and afterwards transferred to Colligal or such other

station as I might think best;
observing that the Judges were unwilling
to propose the dismissal of Mr.
Broomhall when a minor punishment
might suffice to awaken him to a
due sense of his fault."

4. I know also that the
Revenue officers of the District
have entertained a good opinion
of him. Mr. Malthouse who was
long in the District, in a letter
to my predecessor, when Serjeant was
Broomhall of Calicut, observed
that Serjeant Broomhall could not
be tried to propose the respect or
confidence of the people" and even
since he has been at Calligal each
officer who has gone there on journey
duty has brought back a good
account of him.

5. Makazamanets also
have from time to time been sent
in against him but these I would
pass as they are not always to be

7

implicitly relied on as a test of
Public Officers character and conduct.

6. In conclusion I can only
say that I am truly sorry that
I cannot speak more favorably
of the past character and conduct
of the applicant and express a
hope that a consideration of
his long services as Broomhall
may induce the Government to
deal as favorably towards him
as they can.

For the intervals between 16th July 1829 & 1st January 1830 — & 15th June & 9th October 1858 Mr Ward states that Streenevassa Row, late District Moonsiff of Collegal, Coimbatore District was without employ on the first occasion in consequence of the abolition of his office, and on the 2d owing to suspension from office.—

He is eligible to a pension equal to a moiety of his salary.—

The Civil Judge of Coimbatore does not report favorably of Streenevassa Row's past character and Conduct.—

The Applicant ceased to do duty on the 3d December 1861 while the application for Pension on his behalf is dated the 26th November 1862, and the Medical Certificate is the 13th December 1862. His case therefore comes within the scale of the order of Govt of India No 4819 of the 17th December 1861 Financial Department.—

From the Dewan of Travancore to the Chief Secy to Govt — 2nd November 62 — No 205

Petition from Srinivasa Rao, late District Munsif of Tellicherry — forwarded 3rd Decr 1862

Report of the Civil Paymaster — 27th January 63 — No 26

Read also Letter 28th February 1863 No 54

These papers relate to a claim to pension made by Srinivasa Rao, late District Munsif of Tellicherry

In the 2nd paragraph of his letter the Officiating Civil Paymaster remarks that ~~the applicant~~ none of the applicant's documents have yet been received, & that therefore

any pension that may be granted him will require the sanction of the Govt of India, under their Resolution dated the 17th Decr 1857.

The J. & C. however directs, that the Civil Paymaster was informed the certificate, & bears date 15th December 1861, vide 1862 as the Paymaster represented and it appears to have been granted within a few days of the date on which the application could be disposed of.

The register of application, it is true, was transmitted till December but the original application was made by Srinivasa Rao at the time of his retirement. The delay is owing to the reference of the Civil Judge to recommend him for a pension; & much correspondence in various [illegible] which has occurred in this case before the Govt authority finally [illegible] sanction to the pension.

enough. He did not get more for 30 years, but a different [illegible] [illegible] [illegible] 20 years [illegible] [illegible] [illegible] what is stated in [illegible] [illegible] [illegible] almost [illegible] [illegible] reference of pension [illegible] [illegible] [illegible]

In 1858 in a similar report to the same Court, the present Judge, Mr Ward, wrote that his "Estimation "of the applicants character "& capabilities is as low "as that entertained by his "predecessor, and apparently "by the community at large". On this occasion ten charges were preferred against Srinivasa Rao. The majority of these ~~were~~ termed by the Judge "too vague to be acted upon", but they found him guilty upon two specific counts, & directed his suspension for 3 months & subsequent removal to another station. They observed that they were "unwilling "to propose his dismissal "when a minor punishment "might suffice to awaken him "to a sense of his fault".

The opinion held by the Rev: authorities of the District appears to be equally unfavourable to the applicant. Mr. Walhouse

in particular, of the Vicarage in connexion with which he was employed, in a letter to Mr Ward that "Srinivasa Rao "should not be raised "to a position of influence "& respect of the people".

Having before him the recorded opinions of so many independent persons, the Govt in Council deem it proper, while admitting Srinivasa Rao to a position in consideration of his long services, to mark their disapproval of his general character by a reduction of the amount to which he would have been entitled if his conduct had been unimpeachable. G.O. in Judicial Department, dated 20th December 1859 accordingly restricts the final grant of a pension of Rs 50 per mensem, or 20/ per cent. below the maximum amount to which he is entitled
