Sir,

1. I beg leave to bring to your notice that there is a deficiency in the amount of Pension granted to me by Government, in G: O: dated 16th January 1863. The amount inserted in my Pension Certificate, is Rupees 70, and annas 8. which is the moiety of the average Salary drawn by me for the last 5 years, namely Rupees 140, annas 11, and pice 10. calculated as it was at the time of application for Pension in May 1862. I beg to submit that, as the date of my Pension commenced on the 1st January 1863. I was on the effective list, and drew my Salary as Head Draftsman of the Lithographic Press Department D. P. W. up to the 31st December 1862. consequently the actual calculation for the last 5 years of average Salary, should be reckoned from 1st January 1858. to 31st December 1862. which gives the average Salary at Rupees 146. and annas 8. and the moiety amount for Pension Rupees 73. and annas 4.

2. I beg most respectfully to solicit that, should you find the above statement correct, you will be pleased to submit this my humble request, with your favorable recommendation, for the Sanction and orders of Government, that the necessary alteration may be made in my Pension Certificate, namely, from Rupees 70 and annas 8, to Rupees 73. and annas 4 per: Mensem.

I beg to remain

From
Mr Augustus Meneaud, Pensioner
to the Offg Civil Paymaster —— }(Here enter 2d March 1863.)
Memo: from the Offg Civil Paymaster (" 3d March 1863.)

Order thereon 19th March 1863 No 71

In the Resolution recorded in Government Order 13th December 1862 No 873, the Government of India sanctioned the grant of a pension to Mr Meneaud equal to half of his average monthly salary for the last 5 years of his service and the amount of the pension so calculated was ~~definitively~~ stated to be Rupees 70-8-- per mensem.

2 This sanction took effect and Mr Meneaud was relieved

relieved from duty on the 31st December 1862. He now brings to notice that altho' the moiety of his average pay for the five years preceding ~~at the time~~ of his application was Rupees 70-8-.., as supposed by the Government of India, yet, owing to his further employment up to the end of last year on a considerably higher salary, the average of his pay during the last five years has been raised to Rupees 146-8-.. the half of which will be Rupees 73-4-..

3 In forwarding Mr. Meneaud's letter to this effect the Civil Paymaster reports that his average salary for the five years preceding the 31st December 1862 is Rupees 144-8, the moiety of which will amount to Rupees 72-4-..

4 As it was clearly the intention of the Government of India that Mr. Meneaud should have the full half of his average pay, His Excellency the Governor in Council is pleased to direct in modification of the order No. 9 of the 16th January, that a Certificate be issued making a pension of Rupees 72-4-.. payable to Mr. Meneaud from the ~~31st December 1862~~ 1st January 1863
