The Head Gomastah. Sashagiri
 Pau I consider to be a most valuable
 public servant. His intimate knowledge
 of the Accounts and former History of
 the District, his ability, his application,
 and quiet disposition render him most
 deserving of the approval of his Collector.

In spite of his ignorance of
 English, he would, had the nomination
 rested with me, have been appointed by me
 to be Head Manager of my Office. So
 highly do I appreciate his services. Should
 his want of English have been considered
 a bar to that appointment, I should
 certainly have appointed him to the 3rd
 Managers' Office.

Sir,

I am directed by His
 Excellency the Governor in Council
 to submit for the
 consideration of the Government
 of India the accompanying
 Register of an application for a
 pension preferred on behalf of
 Seshagery Row, together with
 the report of the Civil Paymaster
 thereupon.

The applicant's service
 amounts to 25-2-19, and
 he would therefore under ordinary
 circumstances be eligible for a
 stipend equal to one third
 of his average salary, or Rs. 15-12-0.
 It appears however to have
 lost his employment in May 1860,
 while

as the sentence was not
 quashed on its merits but
 for an informality, & the
 applicant has done no
 service since (2 years & more)
 I doubt about giving him a pension.
 I don't want to
 sort with
 comm. for a pension while
 he is out of service.

his dismissal was annulled

that there is no just ground
for withholding from him the
rate of pension to which his
long service would entitle him.
I am accordingly instructed to
solicit sanction for a pension

Report of the Civil Paymaster (—" 16th December 1862 No 578)

Order thereon 10th April 1863 at 93

This application for
a pension is submitted by the
Acting Collector of North
Arcot on behalf of Seshagiri
Rao, a vernacular Accountant
on his Establishment.

2 The applicant's service
exceeds 25 years, and would
have entitled him under
ordinary circumstances to a
stipend equal to one-third
of his average salary, or
Rupees 15-12-0. He appears
however to have lost his
situation in May 1860² more
than

than two years ago, under
Sentence of dismissal by
the Collector, Mr. Robinson.
Mr. Robinson's opinion of
Seshagiri Rao was evidently
most unfavorable, and altho
his Sentence ^{upon him was} reversed by the
Board on appeal, it was
quashed not on its merits,
but only for an informality,
the Board's decision being
couched in the following
terms:-

"The Board observe
that the only punishment
"inflicted on appellant was
"dismissal from the service,
"and forfeiture of claims to
"pension. These however are
"not penalties which can be
"adjudged under Reg. IX of 22
"and the Collector's Sentence
"must therefore be annulled."

3 Under these
circumstances the Governor
in Council is of opinion that
Seshagiri

Seshagiri Rao has forfeited
all claim to a Superannua:
tion pension. His application
must therefore be rejected.
