Sir

With reference to your letter No. 8166 of the 13th instant forwarding one* from the Controller of Military Finance I have the honor to state that pay since April 1862 for the Commissariat Office Establishment of the late Saugor Field Division, in which Rungiaw Naidoo was Head Writer, has not yet been drawn, owing to the Pay Department having taken objection to the charge in the absence of the Sanction of Government for the retention of the above Establishment; which circumstance was brought to your notice in letter No. 31. 29th August 1862 from this Office.

*No. 410 d/8th July/63 herewith returned.

On receipt of the requisite Sanction the Abstracts of Pay for the Office Establishment will be submitted to the Pay Department here for adjustment, and on the same being disbursed by it the pay of Rungiaw Naidoo from April 1862 to January 1863, as also that of other Servants of the Establishment will appear in the accounts of that Department. In the meantime Funds have been drawn from the Civil Treasury Nagpoor on Simple Advance Receipts, and payments made to Office Establishment (Rungiaw Naidoo included) from April 1862 to January 1863. The Sums thus drawn from the Civil Treasury will be refunded to it when received from the Pay Department. This subject was also communicated to you by Sub Assist. Commy. General Captain Heath in letter No. 54 dated 25th November 1862.

On his arrival at the latter place the Executive Commissariat Officer (late Captain The Honble C Butler) not having been apprized of Rungiaw Naidoo's nomination to the Head Writership made a referrnce to your Office regarding him, some-time early in January 1848, and until the reply was received he remained unemployed i.e from the 25th December 1847 the date of his leaving Sholapoor to the 2nd February 1848, and this period was consequently omitted in the Service Statement in question.

Sir,

1 Register of application dated 31st January 1863.
1 Statement of Service dated 31st January 1863.
Copies of Testimonials &c. Extracts from Letters addressed to Commissary General by Major Gardner & Captain Heath respy. & that from the Half Yearly Returns of Commt. Servants &c. (in 3 sheets)

The Accounts of the Saugor Field Division having now been sufficiently closed to admit of the Services of the Head Writer T. P. Rungiaw Naidoo being dispensed with I have the honor to forward for your favorable consideration and subsequent submission to Government the enclosed application on his behalf for admission upon the Pension Establishment accompanied by the documents noted in the margin.

The very high character as an upright valuable, and indefatigable servant of Government which the above individual has uniformly sustained during a continuous service of 32½ years is well known to yourself and the Department generally - the numerous high testimonials he holds from Officers under whom he has served, leave little to be added - I would however venture to hope that in disposing of the present application the extraordinary duties which have devolved upon Rungiaw Naidoo in his late situation and the highly satisfactory manner in which those duties have been performed by him from his first connection with the Saugor Field Division in January 1858 down to the rendering of the final Account Current in November 1862 may be held worthy of the utmost consideration - the accounts rendered are in themselves sufficient to show how great has been the labour necessary to bring them to a satisfactory termination, and it is but justice to Rungiaw Naidoo to state that the success with which every emergency has been met, and every obstacle surmounted not only during the progress of active operations in the field but in the equally arduous duty of bringing up the Arrears, is in a great measure due to his unwearied perseverance protracted exertions and first rate abilities.

Under existing Regulations the amount of pension to which Rungiaw Naidoo is apparently entitled is Rs. 77 per mensem, but in the hope that you may be pleased to recommend, and Government to Sanction, a higher rate in special recognition of his long and valuable Services and unexceptionable Character while in public employment, I have left the Column "Proposed Amount of Pension per mensem" blank in the Register with a view to its being filled up in your Office with such an amount as you may consider proper, and in soliciting the liberality of Government on behalf of the subject of this application I am sincerely convinced that the same could not be more faithfully earned, or more deservedly conferred than in the case of Rungiaw Naidoo.

The work imposed on the Commiſsariat from first to last has bee
severe -

severe - perhaps from its formation it has never been harder. It has been called upon at all hours to provide every requisite for parties of all sizes - these again have been divided and sub-divided - the arrangement of one moment upset the next - long continued and harrassing marches have been undergone - yet, notwithstanding the many impediments the Department has not failed - the duty has been done. I trust to the full satisfaction of the Major General and all who have been dependant on its exertions.

Every praise is due to the various Officers Warrant and Non-Commissioned as well as to Subordinates, through whom the good name of the Department has been upheld - the work of one and all has not been light.

But there is one whose merits it is my bounden duty (and in which every Officer &ca agrees) to bring to your special notice - Rungiaw Naidoo the Manager.

His selection for the post was a most fortunate one his exertions at all times whether by day or night, not only with the Office, but with every thing connected with the Executive working of the Force (not his legitimate duties) are known to all. The Department does not possess a more zealous hard working intelligent servant thoroughly acquainted with the system in all its details. he is deserving of the highest position in it. I only express the hope of one and all that some mark of approbation will be bestowed on him -

On the individual merits and qualifications of each ample has been said by my predecessors, and I have only to add that during the period they have been under my control one and all have fully sustained the characters previously earned and to express an earnest hope that their past good services, and the strong recommendations submitted by my predecessors on their behalf may gain for them your most favorable consideration.

Letter No. 145 - Dated Saugor 18th March 1861.

I have left blank the amount of future salary for Rungiaw Naidoo the Manager, in view to your completing it with such sum you may deem him worthy of - venturing to hope that in consideration of the very onerous duties he has performed during the past three years and upwards in so highly efficient a manner - added to the fact that not only the completion of the present remains of the Field Division Accounts but the arrears of those of the Jaulnah Office will have to be worked up under his supervision, you will be induced to recommend for him a continuance of his present stipend.

Fort Saint George.

Sir,

I have the honor to forward a Register of an Application for Pension for Rungiah Naidoo late Head Writer of the Saugor Field Division together with copies of letters, ~~and~~ testimonials, and an original letter* from Captain Heath Sub Assistant Commissary General, strongly urging that a higher rate of Pension than he is entitled to, may be given to the applicant, in consideration of his long and meritorious services of his zeal & intelligence, and of the extraordinary nature of the duties which he has performed so much to the satisfaction of his superiors in the Field and afterwards in Cantonment winding up the intricate accounts of the Campaign –

*No 74 - Dd 16th Feby 1863 –

2. I have much pleasure in giving furtherance to the application, and in adding my testimony from personal knowledge to the high character borne by Rungaiah Naidoo – At a time when useful men of his stamp were almost unattainable at any price he

he promptly and at considerable personal inconvenience left his Country, and went cheerfully into the Field and made himself most useful both there, and in bringing the accounts to a close at Kamptee -

3 I am aware that Government are unwilling that the services of such men should go unrewarded, as in their order No. 2055 of 5th June 1860 - they were pleased to authorize Colonel McCally to submit applications for extra Pensions to Clerks who specially distinguished themselves in bringing up arrears in his own Office, and as the case in question appears to me to be a similar and a much stronger one, I venture to hope that Govt. will consider favorably Captain Heaths recommendation - I have therefore left a blank in the Column of the Register Head "Proposed amount of Pension" - in order that it may be filled up by such a sum as may appear adequate to His Excellency the Governor in Council -

The amount of Pension due by Regulation to Rungiah Naidoo is Rs. 77 per Mensem -

I have the honor to be,
Sir,
Your most Obedt. Servant -

John Hill Colonel
Commissary General -
