The applicant is an old man and is quite unfit for further active service as certified by the Civil Surgeon at this station. As only one month and 28 days are wanting for the completion of 30 years continuous service the permanent service of 18 months and 25 days the monthly pay of which was 10 Rupees, not being taken to account, the Collector begs to recommend that the applicant may with reference to his whole service of 32.2.19 be granted half pension. The delay in submitting this application has been owing to frequent references to the old records at Guntoor. The pension should however be granted to him from the date of his retirement from service. The applicant has never obtained any private leave of absence so far as is ascertainable from the records.</i>		<i>From 15th December 1862 -</i>		<i>18 15</i>		<i>Krishna District Collector's Treasury.</i>		<i>Collector</i>

Order of Government. 14 March 1864 No. 118.

The Civil Paymaster's report shows that only 23 years 11 months and four days of this applicant's service qualify for pension.

The Govt are therefore unable to grant him the $\frac{1}{2}$ pension recommended by the Collector of Kistna District and can allow only the pension of $\frac{1}{3}$ or Rs 10 per mensem to which the applicant is entitled under the old rules. This allowance will be made payable from 15th December 1862 the date on which his last appointment was abolished.

It is observed that the Ag allowance drawn by E. Venkannal from 4th March to 7th July 1862 cannot be reckoned in calculating his average salary during the last five years.
