Sir

With reference to Mr. Ferris memo No. 25 dated 3rd Instant, I have the honor to submit for the favorable consideration of Government, the claim to pension of Manicum Moodelliar late a Book-Keeper in the P.W. Store Department

Manicum Moodelliar was entertained as a Clerk in October 1833, and continued in the service of Government till 30th June 1863, when he was dismissed, through no fault of his, in consequence of the reconstitution of the P.W. Store Department. From the testimonials in his possession, he appears to have served the Government faithfully for a period extending over nearly 30 years, and as under the

new

new pension rules of the 26th June 1863, his service qualifying for pension falls short of 15 years by only one month, I beg to recommend that, looking to the fact that his Entire service extends over a period of 29 years and 9 months, he may, as a special case, be allowed a pension of 1/3rd of the average salary drawn by him for the past five years.

If this recommendation is acceded to, the prescribed Statement shall be forwarded; but if a pension cannot under the circumstances be granted, I beg that a gratuity equal to 12 months salary, or Rupees 480, be given him.

I have the honor to be
