2 The above information is from the "absent" books from 1857 to 1859. no such books of a prior date are forthcoming. Subsequent to the month of May 1857. the party was Survey Registrar which gave him much out-door work and his absence consequently is not entered in the books.

12.

Cause of apparent degradation on the 16th March 1854 from 14 to 10½ Rupees a month.

3 The party first entered the Deputy Collector's Office (13th March 1854) on 14 Rupees a month as Acting Quit-Rent Deputy Sumprathy and on the 16th Idem he was made the permanent ground rent Conapillay on 10½ Rupees; Madanaraya Moodelly is however

[illegible]

	styled acting in the latter place in the accounts, but this was nominal. In the Deputy Collector's Office the custom was to consider a man always a probationer at first and to enter him as such though he was in a vacant appointment to which in fact he was appted. He was entered as acting for a short time and then was confirmed - The transfer was not in the present instance a degradation.
No. 15. Information why the name of the Applicant is not shewn in the annual returns from 1856 to 1864 &c.	As a rule the names of the Servants of the Survey Department to which the applicant belonged were not detailed in the Monthly Pay abstract. The amount of their pay was entered in the Monthly Contingent Bill which was forwarded to the late Civil Paymaster.
No. 16. Insertion of the order of Government Sanctioning the said Establishment.	Order of Government dated 6th January 1854.
No. 17. Explanation why he is shewn in the detailed list of Service to have been employed as acting ground rent Canacapillay from 16th March 1854 to 4th January 1856 while a man by name of Madanaroya Moodaly is shewn in the annual returns for 1854 and 1855 to have been employed as Canacapillay in the Department of Land Grants from 18th January 1847.	6 Answer to the 12th Query sufficiently answers the first part of this query. In regard to the last point, the Deputy Collectr of Madras reports that no man by name of Madanaroya Moodelly was in his Office in the Department of land Grants from 18th January 1847.
No. 18. Explanation as to the Cause of delay in Submitting the application.	7 The delay was partly from the applicant himself who was under the hopes of getting an Employment under Government after the abolition of the Survey Departt and partly owing to the difficulty that was experienced in getting up the details of the party's leave other than "privilege" or "preparatory".
