To The Civil Paymaster

I lost my appointment to
the Sept. Pub. works.

The bare fact of having lost
Government support is
of itself a painful disap-
pointment of my future hopes
of advancement, and that
I should also now lose the
gratuity which but for the
existing & recently established
rules my eight years actual
service would have fully
entitled me to is really a
very hard case & I shall
feel extremely obliged if
you will move His Excellency

the Governor to make an exception in my
case and grant me the gratuity which in
any present circumstances will be a great
benefit.
