Appertainment Paper [illegible] 1864

[illegible]

Proceedings of the Madras Government, Pension Department,
4th January 1868.

~~Read the following~~ Proceedings of Government, dated 4th January 1868, No. 5.

It has been brought to the notice of the Governor in Council that in the Civil Pension Department there is a great accumulation of old records which, from their nature, are of no value, and may profitably be destroyed.

2. The papers in the case of a civil pension relate in most instances to but one person. On his demise, the record is cancelled in the books of the Paying Office and that of Audit, and the papers, except in cases which establish a rule or precedent, become of no further value. The Government therefore resolve to empower the Under Secretary in charge of the Civil Pension Department, on the cancelment of the pension, to give orders for the destruction of the papers connected with the case, first satisfying himself that there are no special grounds for their preservation.

3. It is observed that, since the system of paying pensions by means of Permanent Payable Orders has come into force, Civil Pension Orders are cancelled directly by the Offices of Audit, without reference to Government. The Accountant General and Controller of Military Accounts are now directed, for the purposes of the present Order, to submit a list of civil pensions which have lapsed since June 1865, and, in future, in every case of lapse, to make a brief report of it to Government.

4. This Order has reference only to pensions granted to retired servants of Government, and not to political stipends and allowances. It will be construed as referring to the case of pensions already cancelled.
