I do hereby certify that I have examined
T. Venkatanarayana Pillay, Manager of the
Export Department, Sea Customs House, Madras
and find that he is suffering from another
of the liver & hepatitis, which renders pro-
sopion a matter of some difficulty. He
also has defective vision. I am of
opinion that these affections disqualify
him for the further performance of his
duties, and that they are not the result
of intemperate or dissipated habits on
his part.
