P. Grant Esq.
Collector of Coimbatore.

Sir

I have the honor to return the application for Register of Pension, to which your letter of the 6th Instant at 2.50 gave cover, with the required alterations and addition.

2. With reference to para 4 of your letter, I am not aware, that Saobha Rao has rendered any special meritorious service, but it appears to me that a faithful course of service extending over a period of nearly half a century, is sufficient to justify his being recommended for the highest rate of pension, and I trust that his application to be allowed the full benefit of the rules, will have your support. It is most desirable that these old men, who have done their work well hitherto, but who do not come up to the present standard of requirements, should make room for younger men, who are better qualified, but unless they are liberally dealt with in the matter of pensions it will be very difficult to persuade them to retire.

I have the honor to be,
Signed M. E. Sullivan
