Report of the Civil Paymaster.

Service of Applicant as verified by Civil Paymaster.	Average of salary for the last 5 Years.	Remarks.
17-2-4	34-9-4	The Services of C. Ragavulu Naidoo late a Sub Auditor in the Establishment of the Controller and Auditor of P.W. Accounts and are as under Total Period of Service Vizt From 1st June 1846 to 31st July 1863. The whole of this period counts for Pension as it was passed in grades of employment. No leave such as those that come under the Pension Rules appears to have been taken during his service. Period qualifying for Pension The Applicant is therefore entitled to a Pension of Rs 11-8-5 equal to one third of his average salary for the last 5 years under clause II Section 6 and 9 of the Amended Pension Rules. The delay in the submission of this case is owing to the difficulty in procuring a review as monthly pay abstract for about 10 years had to be obtained from the Deputy Auditor & Accountant General's office. The examination of the D. Statement and pressure of other work in this office have also retarded the disposal of this case.
