Sir,

The application & for pension having been already sent in, the Civil Judge returns the Petition + of Bhema Row forwarded by the Deputy Secretary to Government. It is true that the Petitioner has served over 40 years, which was much longer than he ought to have done, for he was utterly unfit for his duties and was ordered to retire and would have been relieved if he had not done so - The Civil Judge is most decidedly not so satisfied with the Petitioner's conduct of his duty as to recommend that his Petition be complied with -

Sir,

I have the honor again to forward the application for Pension for Beema Row, I have especially observed that he has been incapacitated by old age and physical infirmities ~~for his work for some time - and that I~~ have no remark to make as to his character. I cannot improvise a character. Had the former Civil Judges been dissatisfied with him he would not have been allowed to remain as Moonsiff.
