Report of the Civil Paymaster, dated 3rd August 1864, No. 94.
Petition from C. COOPOO PILLAY, dated 5th August 1864.

ORDER THEREON, 23rd August 1864, No. 350.

The Governor in Council is pleased to grant C. Coopoo Pillay, lately an Examiner in the Civil Paymaster's Office, a pension of Rs. 50-8-0 per mensem, being one-half of his average salary for the past five years, to take effect from the 1st July, under Section 3, paragraph 6, of the Revised Rules.

2. His Excellency the Governor in Council observes that this case differs materially from that quoted by the Civil Paymaster in his report inasmuch as the decision then given by the Honorable Court was elicited by an application preferred by officers who had been employed solely in the Native Pension Fund Department and were dismissed on its gradual reduction. The present applicant's service in that department (of three years and two months) was intermediate and continuous, the work being all in the same office although in different departments of it, and it is probable that he would not have agreed to serve in the department had he supposed that his so doing would interfere with his pension, and that his superiors would not have wished him to do so.

Honored Sir

1. The Civil Paymaster having been pleased to recommend my being placed on the list of Government Pensioners, I most respectfully beg you will be so good as to lay before His Excellency the Governor in Council the following peculiarity connected with a portion of my period of actual service, and which that Officer considers himself obliged by the orders on the subject to exclude from counting for Pension, but touching which he was pleased to permit me to address myself to the Government direct.

2. I was first entertained in the Civil Audit Office, on 15th of April 1839, and retired from service on 1st of July 1864, thus making a total period of service of 25 years, 3 months and 16 days.

3. But the Civil Paymaster in consequence of the general tendency of the Orders of Government regarding service on Temporary Establishments will not admit in his reckoning 3 years, 3 months, and 16 days for which period I was intermittently employed on the Establishment of the Native Pension Fund attached to the Civil Audit Office. This refusal will inflict a heavy loss upon me unless Government are pleased to decide that such service should not be excluded in calculating my total period of service, in as much as my service will thereby be considerably reduced.

4. I beg very respectfully to point out that the Orders by which

which the Civil Paymaster considers himself prevented from including this period of my service do not apply to my case owing to its peculiarity. I was as already shown originally employed upon a permanent establishment and was only for a short time, and for the requirements of the service, transferred to the Native Pension Department, and in doing so Mr. Morris the Civil Auditor promised to retransfer me to the permanent establishment of the Office; which that gentleman accordingly did in August 1842, and I have since continued uninterruptedly on the fixed establishment until the day of my retirement.

5. It will be seen that my case as here represented is no way different to the first of the precedents of which I beg to append a memo in which instance the individual though situated exactly as I am did not forget the period served by him up in the identical department viz the Native Pension Department of the Civil Auditor's Office.

6. The above circumstances as well as my character and conduct throughout the entire period of my servitude of 25 years, 2 months, and 16 days, which will be seen on a perusal of the enclosed testimonials of Mr. Morris and his successors in Office, to have been uniformly good will I humbly trust procure for me the kind consideration of His Excellency in Council, and I humbly hope that he will under the circumstances and more especially considering my certified meritorious services as noticed by the present Civil Paymaster himself in his recommendation for my Pension, feel justified in granting me a pension calculated upon my total period of 25 years, 2 months and 16 days, for which act of justice I and my large family will ^{feel} infinitely ~~and~~ grateful to the end of our lives.

With becoming respect to His Excellency the Governor in Council, as well as to your Honor.

Having served the Government for 25 years 2
months and 16 days commencing from 15th April 1839 & finding myself
unable any longer to discharge my duties efficiently owing to general debility
in consequence of advanced age I beg to submit this my application to your
honor for a Superannuation Pension trusting fully that your honor will
be pleased to recommend for the favorable consideration of Government that
I may be granted a pension equal to half of my average salary during the
last five years of my service under the revised pension rules commencing
from 1st Instant.

The entire period of my service was in this office & during that
time having performed my duties (which were very responsible & worthy of
consideration) with the utmost zeal & diligence the previous Civil Pay Masters
were pleased to promote me on nearly every opportunity I have thus successively
risen from one post to another till the arrival of your honor in this office. The
testimonials which I have obtained will show that my past services have received
the approbation of my several employers.

A medical Certificate from Dr. C. M. Duff M.D. counter-
signed by the Inspector General of Medical Department declaring that I am
permanently disqualified for further service is herewith enclosed.

I request that my pension may be made payable by the
Bank of Madras through your Office.

For which act of kindness I shall ever prove
gratefull.

Mem. dated 18/11/19

The case on which orders were passed by the Hon^{ble} Court was one in which the services of an employee in the Western Indian Fund Office (a part of the Civil Auditors Office) were dispensed with as the work diminished.

Applicant was ^{not} employed in the Civil Auditors Office - there was an employee (still in the same office, but in a different department) in

the Native Pension Fund
 Sept, and after 13. 2
 service there, was re-estab-
 lished in a fixed post in
 the Civil Auditor's Office.

In two cases (206 & 77 July/58)
 & (1220 & 23 Aug-64) service
 in ~~the~~ ^{temporary} ~~establishment~~ ^{of} has been
 allowed ~~to~~ ^{on the} latter
 occasion ~~as~~ ^{properly}.

The Pension Fund Sept was
 created May-37. Reduced April 56
 & abolished 18th July 1858.

In accordance with the

 ter, The Gov. in Council
 is pleased to grant
 C. Coppoo Nilay, late
 an ex-ammur in the
 Civil Paymaster's Office,
 a pension of Rs 33.8.0
 per mensem, being one
 third of his average
 salary for the past 5
 years, to take effect from
 the 1st July under Sec II.
 Para 6 of the Revised Rules.

2. H.E. in C. considers
 that the decision of
 the late Honble Court
 in a similar case

precludes the admission
 of the period (3 years
 & 2 months) spent
 by Coppoo Nilay in
 the same work all in the same
 way in the intermediate.

* See E. M. C. Financial 1850 Sept.
 No 138 of 8th April.
 * Perhaps not quite similar
 I apprehend a brief thereon.

I think that the man may
 be allowed to count this
 term under the circum-
 stances. The service by
 Coppoo Nilay in

The late Native Pension
Fund Office, to count
as Service for Pension

that this can differ

probable that he would
