Memo.

Your Memo No. 95, dated 9th March 1864.

The situations filled by Letchumana Iyer from November 1826, to September 1838, having been of a temporary nature, his services were dispensed with on the 30th of the latter month, as being no longer required. Hence he was employed from 1st to 31st October 1838.

2 On the Tahsildar's report that Letchumana Iyer had not given security, he was removed from the situation of Dy. Shroff on the 1st December 1839; but he having subsequently proved that the necessary security was furnished, he was restored to his situation on 1st February 1840, & transferred to Streevigoontam taluq.

3 On the reduction of the Public Works Establishment in 1857, Letchumana Iyer was thrown out of employ in common with others on the 1st August of that year; and he remained unemployed up to 26th May 1858.

4. With reference to para 3 of the above memo the Collector of Tinnevelly reports that the pay of the late Maramut Establishment of that District, was debited in the accounts to the head, "Repairs of Tanks and Watercourses".

5 The name Letchumana Pillay in the annual

Annual Return for Tinnevelly for 1856-57 is a clerical error - it should have been Letchumana Iyer. There was no other person of the former name employed as Sub Overseer in that District from 1st May to 31st July 1857.
