The Honorable President and Members
of the Board of Revenue
Fort St. George

The humble Petition of Appasamy Moodelly
late Magistrate Moonshee in the Hoosoor
Cutcherry of Coimbatore.

Gentlemen

With every feeling of respect and submission your Petitioner begs to lay his deplorable case once more for your benign consideration, that your Petitioner brought the particulars of the injustice done to him by J. C Wroughton Esq^re the Principal Collector of Coimbatore District to the notice of the Board by a Petition N^o 1310 of 1842 when the Board having called upon the Collector on your Petitioners application to resume his duty the said gentleman forwarded a letter on the 10^th November 1842 shewing some improbable causes which were misrepresented to him by the enemies of your Petitioner which causes having been considered by the Board unsatisfactory and not sufficient to bear out his proceedings the Board called upon him again for explanation of reasons whereupon another statement of pretences was prepared and furnished to the Board on the 3^rd January 1843 but owing to the greatest misfortune of your Petitioner the Board without taking further trouble to dive into the particulars of the veracity of the report passed an endorsement on the Petition on the 1^st February 1843 that the Board of Rev^e "are satisfied with the reasons furnished by the Collector and see no occasion to interfere."

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following Papers.

From The Collector of Trichinopoly to the Civil Pay Master (Here enter 29th June 1864. No 21.)

Report of the Civil Pay Master (Here enter 17th August 1864. No 99)

Order thereon 9th September 1864. No 375.

The Governor in Council is pleased in consideration of the high character uniformly borne by S. Appasawmy Mooddiar late 2d Class Deputy Collector, and of his Service of upwards of 30 years, to award him a Good Service Pension of Rs. 226-12- being a moiety of his average Salary for the past five years, to have effect from the 1st August last under the Revised Pension Rules.

2. The Governor in Council considers that the break in applicants Service of 8 months in 1852 is sufficiently

sufficiently accounted for-

3. The Collector and Civil Paymaster are both in error in their calculation of applicants average Salary, the latter objecting to allow applicants title to count his Service from the 15th February to 7th August 1861 at the higher rate of Rs500, to which he became entitled on his promotion to the rank of 2d class Deputy Collector on the apparent ground that he was on leave at the time of his promotion and did not take charge of any office allowing him to draw the increased rate until the 7th August.

4. The Governor in Council considers that from the 15th February the Salary properly appertaining to the office held by the applicant was Rs.500, and hence, under Rule 134 Chapter III Civil Auditor's Manual, was the amount to be considered in the calculation.

5. J. Appasawmy Moodeliar was promoted to the rank of 2d Class Deputy Collector on the 15th February 1861, and to the office of Deputy Collector of Trichinopoly as assumed by the Civil Paymaster
