No 81

Sir,

In reply to your memo of the 8th June last I have the honor to inform you that it is now learnt that Sabaputhy Moodeli previous to 28th July 1835 was actually a Jail Peon detached and placed under the Jailor to assist him in keeping his accounts &c although he was called "Jail Goomastah"

2. This is the reason that his services were not included in the annual returns submitted to your office and under this circumstance I doubt whether his services

in

in that capacity can count for pension

3. After Sabaputhy Moodely's appointment as Moonsiff, he appears to have been absent on leave on two occasions* for one and three Months respectively. The other periods of his leave are not borne out by the records in my office.

* Vide Page 897 of the Fort St. George Gazette dated 28th June /51 and Page 991 Do dated 12th June 1857.

4. The statement of Sabaputhy Moodely's services together with the Register of Application is herewith returned duly filled up as called for.

I have the honor &c
