Certificate prepared by Ramachendrarow Tahasildar of Nundikotkoor Talook concerning the age of Royachooty Nursinga Row an applicant for pension and late Goomasta of the said Talook.

The said Nursinga Row states that he has no horoscope, and that the date of his birth being the 4th of the bright fortnight of the month Mágum in the year Bháva his age amounts to 50 years. Since the aſsumption of this District by the British Government I have now and then seen the said Nursinga Row and I think with reference to the present condition that his age may as stated by him be 50 years as a true fact.

We hereby Certify that Roychottey Narasinga Row Gomasta of the Nandikotcoor Talug, is incapacitated from the further performance of his duty by old age and incipient Cataract of both Eyes.

His incapacity has not been induced by intemperance or other irregular habits.

We are also of opinion that no material improvement is likely to result from relaxation from duty or medical treatment.
