I Certify that I have examined Moottookistnah Moodeley. He is old and worn out and unfit for any service, requiring much mental or bodily activity.

This is not the result of intemperance or irregular habits.—

The bearer hereof named Mootoocristnah served under me as Maistry in the Civil Engineer's Department from January 1843 to May 1845, while I was in charge of Maramut in the Kurnool Territory and I had every reason to be satisfied with him. He writes a good hand, draws plans very well and is a correct Estimate maker. He is a steady respectable man, attentive to his duty and respectful in his manner.

Sir,

I have the honor to acknowledge the receipt of your Official Memorandum No 2342 dated 7th Instant and of copy of that from the Civil Paymaster No 131 dated 1st Idem which accompanied it.

2. As required in these Memos, true copy of a testimonial granted to Ex Draftsman Moodookistna Mudali for his services from 1843 to 1845 by Colonel Atwell Lake* of the Royal Engineers, is forwarded herewith. I am under the impression that a copy of this accompanied my letter to the Superintending Engineer No 130 dated 12th January last with which was forwarded Moodookistna Moodeli's pension certificate.

3. Moodookistna Mudali desires to state in reply to the concluding para of the Civil Paymasters Memo, that the break in his service between 8th January and 17th October 1855 was owing to illness which prevented his proceeding to take up his appointment as Maistry in the Kurnool Territory. He possesses no Medical Certificate to this effect. He received no pay during the period named. On the 17th October 1855 he was appointed Draftsman in the Civil Engineers Department 5th Division

*then Civil Engineer 2nd Dn late in charge of Maramut Kurnool Territory.

+ Enclosures herewith returned

The undersigned has the honor, in reply to Memo+ No 81 dated 22 inst, to state that Moodoo Kistna Moodelly's service of 12 years was not thrown out of the Cal:culation of his service reckoning towards Pension simply because he was styled "Maistry" in the Certificate by the Civil Engineer 2nd Division, but because in the Returns on Record in this Office he is shewn to have drawn Pay from June 1845 as "Bricklayer Maistry" - Mr Lake in his Certificate no doubt does not style him as such, but as he drew the Pay of that Appointment, service in which does not reckon towards Pension, he cannot be allowed the benefit of the period in question -
